Ops Manual Food:

Food Stores United States. Small Business Administration,1975 *Technical Manual TM 4-41. 12* United States Government US Army,Us Army,2012-07-16 The Army garrison food program is a multi billion dollar a year business encompassing personnel subsistence contract and equipment costs Although Installation and Garrison Commanders are ultimately responsible for the installation food program they rely on many activities and organizations to oversee daily food service operations This technical manual TM provides procedures for food program operations in an effort to assist in this task It provides guidance for commanders food program managers FPMs subsistence supply managers SSMs food service warrant officers non commissioned officers dining facility managers DFMs and food service personnel This manual is the second part of a total rewrite of field manual FM 10 23 2 Tactics Techniques and Procedures for Garrison Food Preparation and Class I Operations Management All topics related to food program management and subsistence supply management from this FM have been included in this manual All garrison dining facility management operations and techniques are contained in TM 4 41 11 Dining Facility Operations Where appropriate this manual references other food service administrative doctrinal publications such as Army Regulation AR 30 22 and Department of the Army Pamphlet DA Pam 30 22 Army Food Program policy and operational procedures are contained in these publications and should be used in conjunction with this manual to establish and manage the installation food program Part One of this manual provides an overview of food program management including responsibilities budgeting contracting facility construction modernization and equipment replacement and review procedures for both dining facility and food program operations Part Two of this manual discusses subsistence supply management in garrison and procedures for Class I inspection storage handling and transportation The appendixes contain many sample standing operating procedures SOPs reviews and a checklist that can assist food program personnel in establishing and maintaining a solid food program Food service personnel can contact the Concepts Systems and Policy Division of the Joint Culinary Center of Excellence JCCoE for electronic copies of these SOPs reviews and the checklist Commanders FPMs SSMs command food advisors DFMs and food service personnel should continue to provide feedback based on their lessons learned during operations on the content and operational procedures presented in this manual Your input is vital to the continued evolvement and success of the installation food program and to ensure that our Soldiers continue to be the best fed in the world **Directives, publications, reports index** United States. Coast Guard,1982 **Cruise Operations Management** Philip Gibson,2006-08-11 Cruise Operations Management provides a comprehensive and contextualised overview of hospitality services for the cruise industry As well as providing a background to the cruise industry it also looks deeper into the management issues providing a practical guide for both students and professionals alike A user friendly and practical guide it discusses issues such as The history and image of cruising How to design a cruise and itinerary planning Roles and responsibilities on a cruise ship Customer service systems

and passenger profiles Managing food and drink operations onboard Health safety and security Cruise Operations Management presents a range of contextualised facts illustrated by a number of case studies that encourage the reader to examine the often complex circumstances that surround problems or events associated to cruise operations The case studies are contemporary and are constructed from first hand research with a number of international cruise companies providing a real world insight into this industry Each case study is followed by questions that are intended to illuminate issues and stimulate discussion The structure of the book is designed so the reader can either build knowledge cumulatively for an in depth knowledge of managerial practices and procedures onboard a cruise ship or they can dip in and make use of specific material and case studies for use within a more generic hospitality or tourism learning context
