the way that we can use the power of the law to protect the public interest and to ensure that the law is applied fairly and consistently. We can also use the law to protect the rights of individuals and to ensure that they are not discriminated against on the basis of race, gender, or other characteristics. Finally, we can use the law to protect the environment and to ensure that our natural resources are preserved for future generations.

Before we start, I did think the title was odd. The word "game" is usually used to refer to a sport or a pastime, not to a business strategy. But as I read on, I realized that the author was using the word in a different sense. He was talking about a "game" in the sense of a "strategy" or a "plan".
