Performatives After Deconstruction Bloomsbury Studies In Continental Philos:

Performatives After Deconstruction Mauro Senatore, 2013-07-04 What has happened since de Man and Derrida first read Austin How has the encounter between deconstruction and the performative affected each of these terms In addressing these questions this book brings together scholars whose works have been provoked in different ways by the encounter of deconstruction and the performative Following Derrida's appeal to any rigorous deconstruction to reckon with Austin's theorems and his ever growing commitment to rethink and rewrite the performative and its multiple articulations it is now urgent that we reflect upon the effects of a theoretical event that has profoundly marked the contemporary scene The contributors to this book suggest various ways of re-reading the heritage and future of both deconstruction and the performative after their encounter bringing into focus both the constitutive aporia of the performative and the role it plays within the deconstruction of the metaphysical tradition *Performatives After Deconstruction* Mauro Senatore, 2013-05-09

What has happened since de Man and Derrida first read Austin How has the encounter between deconstruction and the performative affected each of these terms In addressing these questions this book brings together scholars whose works have been provoked in different ways by the encounter of deconstruction and the performative Following Derrida's appeal to any rigorous deconstruction to reckon with Austin's theorems and his ever growing commitment to rethink and rewrite the performative and its multiple articulations it is now urgent that we reflect upon the effects of a theoretical event that has profoundly marked the contemporary scene The contributors to this book suggest various ways of re-reading the heritage and future of both deconstruction and the performative after their encounter bringing into focus both the constitutive aporia of the performative and the role it plays within the deconstruction of the metaphysical tradition **The Poetic Imagination**

in Heidegger and Schelling Christopher Yates, 2013-10-10 The first comparative study of Heidegger and Schelling recognizing Schelling's place in post-Kantian German Idealism and his contribution to Heidegger's later thought *Ernst Bloch and His Contemporaries* Ivan Boldyrev, 2014-02-27 *Ernst Bloch and His Contemporaries* is a much needed concise yet comprehensive overview of Ernst Bloch's early and later thought It fills an important gap in research on the history of German thought in the 20th century by reconstructing the contexts of Bloch's philosophy while focusing on his contemporaries Georg Lukács Walter Benjamin and Theodor Adorno Ernst Bloch's influential ideas include his theory of utopian consciousness his resolute inclination to merge aesthetics and politics rehabilitation of hope and atheistic conception of Christianity Although Bloch's major early texts *Spirit of Utopia* and *Traces* have recently been translated into English and there has been renewed interest in Bloch over the last 15 years he is still relatively unknown compared to other left German Jewish intellectuals Ivan Boldyrev places Bloch's often enigmatic prose within contexts more familiar to English speaking readers and outlines the most important messages in Bloch's legacy still relevant today to European intellectual discourse in particular aesthetics and philosophy of history **Breathing with Luce Irigaray** Lenart Skof, Emily A. Holmes, 2013-08-15

Contributors to this volume consider the implications of the Age of Breath a spiritual shift in human awareness to the needs of the other figured through breathing Awareness of the breath allows us to attend to our bodies and the bodies of others to animals nature other cultures oppressed minorities and the other of sexual difference As a way to connect body and spirit self and other nature and culture and East and West breathing emerges as the significant theological and philosophical gesture of our time Philosophy has too often cut off metaphysical thought from this living breathing world with its animal and female bodies just as religious traditions have repressed the breathing flesh in favour of calcified word The re introduction of breath into philosophy and theology draws our awareness back to the body to respect for the other and to nature making awareness of the breath essential for an embodied ethics of difference in our globalized ecological age These themes are addressed by an international team of scholars including Luce Irigaray

Merleau-Ponty's Existential Phenomenology and the Realization of Philosophy Bryan A. Smyth, 2013-12-19 Bringing to light the essential philosophical role of Marxism within Merleau Ponty s reinterpretation of transcendental phenomenology this book shows that the realization of this project hinges methodologically upon a renewed conception of the proletariat qua universal class specifically that it rests upon a humanist myth of incarnation which substantiated by Merleau Ponty s notion of heroism locates an objective historical purposiveness in the habituated organism of the modern subject Foregrounding the phenomenological priority of history over corporeality in this way Smyth s analysis recovers the militant character of Merleau Ponty s existential phenomenology It thus sheds critical new light on his early thought and challenges some of the main parameters of existing scholarship by disclosing the intrinsic normativity of his basic methodological commitments

Towards the Critique of Violence Brendan Moran, Carlo Salzani, 2015-08-27 In the past two and a half decades Walter Benjamin s early essay Towards the Critique of Violence 1921 has taken a central place in politico philosophic debates The complexity and perhaps even the occasional obscurity of Benjamin s text have undoubtedly contributed to the diversity conflict and richness of contemporary readings Interest has heightened following the attention that philosophers such as Jacques Derrida and Giorgio Agamben have devoted to it Agamben s own interest started early in his career with his 1970 essay On the Limits of Violence and Benjamin s essay continues to be a fundamental reference in Agamben s work Written by internationally recognized scholars Towards the Critique of Violence is the first book to explore politico philosophic implications of Benjamin s Critique of Violence and correlative implications of Benjamin s resonance in Agamben s writings Topics of this collection include mythic violence the techniques of non violent conflict resolution ambiguity destiny or fate decision and nature and the relation between justice and thinking The volume explores Agamben s usage of certain Benjaminian themes such as Judaism and law bare life sacrifice and Kantian experience culminating with the English translation of Agamben s On the Limits of Violence

Deleuze and Art Anne Sauvagnargues, 2013-08-15 In Deleuze and Art Anne Sauvagnargues one of the world s most renowned Deleuze scholars offers a unique insight into the constitutive role played by art in the formation of Deleuze s

thought By reproducing Deleuze's social and intellectual references Sauvagnargues is able to construct a precise map of the totality of Deleuze's work pinpointing where key Deleuzian concepts first emerge and eventually disappear This innovative methodology which Sauvagnargues calls periodization provides a systematic historiography of Deleuze's philosophy that remains faithful to his affirmation of the principle of exteriority By analyzing the external relations between Deleuze's self proclaimed three philosophical periods Sauvagnargues gives the reader an inside look into the conceptual and artistic landscape that surrounded Deleuze and the creation of his philosophy With extreme clarity and precision Sauvagnargues provides an important glimpse into Deleuze's philosophy by reconstructing the social and intellectual contexts that contributed to the trajectory of his thought This book is the product of insightful and careful research which has not been made available to English readers of Deleuze before now *Nietzsche and Political Thought* Keith Ansell

Pearson,2013-11-21 Nietzsche challenges the tenets of received political wisdom in a number of ways and his thinking contains resources for revitalising political thinking Nietzsche and Political Thought offers fresh insights into Nietzsche's relevance for contemporary political thought in light of recent advances in research in the field and key topics in contemporary theorising about politics An international team of leading scholars provide vital new perspectives on both core and novel topics including justice democratic theory biopolitics the multitude political psychology and the Enlightenment In spite of the controversies what becomes clear is that Nietzsche is vital for political thought and a more sensitive and nuanced approach than conventional understandings allow is required Nietzsche continues to have a lively presence in contemporary philosophy and this book reawakens interest in the political dimension of his thinking **Nietzsche's Therapeutic**

Teaching Horst Hutter,Eli Friedland,2013-09-21 The theme of the philosopher as therapist dominates Nietzsche's entire opus from his earliest writings to the Zarathustra period and beyond Nietzsche wishes to hasten the coming and future sanctification of a new type of synthetic human being and his entire teaching is shaped by his own struggles against illness Yet few Nietzsche scholars have paid this crucial therapeutic element of his thought sufficient attention This collection of essays by leading scholars in the field is composed around the Nietzschean insight which has its roots in the Hippocratic tradition of ancient medicine that beliefs behaviours ideals and patterns of striving are not things for which individuals or even cultures are responsible Rather they are symptoms of what an individual or culture is which symptoms require diagnostic interpretation and evaluation The book identifies three principal approaches in Nietzsche's philosophy diagnostic prognostic and therapeutic Each essay takes up this essential insight into Nietzsche's therapeutic philosophy from a different perspective and collectively they reveal an array of insightful approaches to self induced enhancement for both individuals and cultures Ordinary Literature Philosophy Jernej Habjan,2019-12-26 The first extended Lacanian reading of J L Austin's

ordinary language philosophy this book examines how it has been received in the continental tradition by Jacques Derrida and Judith Butler Jacques Rancière and Oswald Ducrot This is a tradition that neglects Austin's general speech act theory on

behalf of his special theory of the performative whilst bringing a new attention to the literary and the aesthetic The book charts each of these theoretical interactions with a Lacanian reading of the thinker through a case study Austin Derrida and Butler are respectively read with a Hollywood blockbuster a Shakespearean bestseller and a globally influential May 68 poster texts preoccupied with the problem of subjectivity in early high and postmodernity Hence Austin's constatives nonperformative statements are explored with Dead Poets Society Derridean naming with Romeo and Juliet and Butlerian aesthetic re enactment with We Are all German Jews Finally Rancière and Ducrot enable a return to Austin beyond his continental reception Austin is valorised with a theory as attractive and as irreducible to the continental tradition as his own thought namely Jacques Lacan's theory of the signifier Drawing together some of the giants of language theory psychoanalysis and poststructuralist thought Habjan offers a new materialist reading of the ordinary status of literary language and a vital contribution to current debates within literary studies and contemporary philosophy

Performatives After Deconstruction Bloomsbury Studies In Continental Philos Introduction

In today's digital age, the availability of Performatives After Deconstruction Bloomsbury Studies In Continental Philos books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Performatives After Deconstruction Bloomsbury Studies In Continental Philos books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Performatives After Deconstruction Bloomsbury Studies In Continental Philos books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Performatives After Deconstruction Bloomsbury Studies In Continental Philos versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Performatives After Deconstruction Bloomsbury Studies In Continental Philos books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Performatives After Deconstruction Bloomsbury Studies In Continental Philos books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Performatives After Deconstruction Bloomsbury Studies In Continental Philos books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Performatives After Deconstruction Bloomsbury Studies In Continental Philos books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Performatives After Deconstruction Bloomsbury Studies In Continental Philos books and manuals for download and embark on your journey of knowledge?
