Wither Amy Miles, 2016-10-04 In this post apocalyptic sci fi horror series opener zombies and humans alike threaten the future for a tough young woman After an epidemic swept across America like a biblical plague the government leapt into the fray with the release of a new vaccine but what was meant to bring salvation to the survivors instead brought damnation Mutations began within days of the drug's release and the Withered Ones were born those neither alive nor dead They walked the streets unblinking and unaware And they were starting to evolve Growing up on the streets taught Avery Whitlock how to care for herself but nothing could have prepared her for the outbreak of deadly gangs a corrupt government bent on using her blood for experiments and the depths to which desperate people would go to survive She soon discovered that it was not the Withered Ones that she needed to fear but those still human The ones who knew how to put a gun to her head when they wanted something from her Avery was forced to decide how far would she be willing to go to survive just one more day

Redemption's Trial Isabella Nasya, 2024-07-01 In a small town just outside of the Research Triangle in North Carolina a town is turned upside down when one of their own is sentenced to life in prison for the death of his young wife Sasha Matthews was diagnosed with ALS when her son David was only six months old Her husband James was sentenced to life in prison for her death in the year 2000 James had finished his residency the previous year and had accepted a position at a local pediatrics clinic James has carried a secret for the past twenty four years of his sentence as he has tried to navigate life on the inside of North Carolina's Central Prison The secret haunts him as he searches for redemption forgiveness and tries to make a fresh start and right wrongs With the testimony and witness of fellow inmates the kindness of some correctional officers will James be able to turn his life around and find the redemption he desires before it is too late

The Withered Amy Miles, 2017-01-10 I always thought when the apocalypse finally began I would be swinging my baseball bat at the zombies with the best of them I was prepped and ready to smash in some undead heads if the need ever arose The problem is no one ever warned me that I would have to dread the humans even more The ones who still remember their names and how to put a gun to your temple when they want something Do not fear the Withered Ones Fear the ones still human This is an omnibus edition featuring the first three books in The Withered series *Wither Resurrect* and *Affliction* *Wither* After an epidemic swept across the nation the government foolishly rushed the creation of a vaccine but what was meant to bring salvation instead brought damnation Human mutations birthed a new species but Avery Whitlock soon learned that the top threat against her survival was not the Withered Ones but the ones still human *Resurrect* After enduring a kidnapping brutal gang attacks and the death of the man

she loved Avery Whitlock believed she could survive anything until she discovered that she was being hunted The Withered had mutated and she had reason to believe that evolution couldn't be stopped especially when it was genetically engineered Affliction No longer fully human but unwilling to accept her fate as a flesh eating zombie Avery Whitlock abandoned the only place she could call home in order to save the man she loved from herself Driven to prevent anyone else from suffering her fate she stalked the doctor's responsible for the mutations but with each life she took her cravings amplified and her grip on humanity slipped **The English Reports**, 1906 **The Revised Reports** Frederick Pollock, Robert Campbell, Oliver Augustus Saunders, Arthur Beresford Cane, Joseph Gerald Pease, William Bowstead, 1908 **The Revised Reports**, 1908
