Redemption Of The Prodigal Disciple:

Redemption of the Prodigal Disciple Dan Rondeau, 2015-01-12 As a youngster LaMar Morton was known as the preacher by his neighborhood thug friends and his police record He was a self proclaimed minister and bible scholar However he was not the typical neighborhood wanna be thug He was small for his age and would do whatever it was to an excess to prove how tough he was His parents were very religious and lived their lives by a demanding biblical code His father was a Baptist Minister and pastor of a church was a large congregation and his mother was the devoured wife who was actively engaged in most of the church sponsored activities He was the younger of the four Morton children and the first and only one of the children that rebelled against the strict upbringing His early life was spent in a series of juvenile delinquent facilities for the numerous petty crimes he had committed Many of his early disciplinary exhibitions were his intentional demonstrations in response to his parent s demands for compliance The more demands and restrictions they placed on him the more he would demonstrate that he was never going to blend into the family s way of life At the age of sixteen having been suspended from school and labeled as incorrigible by the state child welfare agency His parents agreed to commit him to spend two years at the state rehabilitation farm for boys The two years away from his parents and their strict biblical living rules gave him the opportunity to experience the life of the other side By the time he was released he was equipped with much of the knowledge he needed to become a full fledged criminal and he didn t waste much time putting his newly acquired skills to use At age eighteen he attempted a strong arm robbery of a sixty six year old man LaMar didn t have the skill or the ability to subdue his victim a retired police officer and active karate instructor and his failure cost him a sentence of three years probation He treated the three year probationary sentence as an opportunity to interact again with the community of experienced criminals to hone his criminal skills This time he believed he was ready for the big time However he wasn t and this second attempt at strong arm robbery almost cost him his life He had always carried himself with an air of bravado Even though he had a small physical stature he had a false sense of strength which made him believe that a physical and angry approach was all that he needed to take whatever he wanted from anyone The Christ: Mandate for Discipleship Ralph

Parnwell, 2015-07-08 St Peter got it right when he forthrightly declared Jesus of Nazareth to be The Christ the Son of the Living God Matthew 16 16 This was a bold assertion of the person of Jesus Christ So much of what the church teaches about Jesus is directly concerned with his works Well praise God for that However like Peter we need to get a precise revelation of the person of Jesus the wonder of his divine character which reveals the heart of the Father This series of forty studies on The Christ in essence is focused on Jesuss reply to Peter Flesh and blood has not revealed this to you but my Father in Heaven This implies the bonding to the very image of Christ that can only happen under the anointing of the Holy Spirit St Paul at the end of 1 Corinthians 2 16 challenges the Christian to have the mind of Christ Experiencing the person of Jesus Christ tapping into his very thinking processes with the help of the Holy Spirit out of the scriptures virtually guarantees that

even as we seek to get a grip on the fundamentals of his ministry we will inevitably discover the man We need to grow our personal faith in the power and authority of Jesus and the glory of His enthronement at the Father's right hand

Redemption and Restoration David Matzko McCarthy, Trudy D. Conway, Vicki Schieber, 2017 The Catholic Church teaches that punishment must have a constructive and redemptive purpose and that it be coupled with treatment and when possible restitution Rehabilitation and restoration must include the spiritual dimension of healing and hope Since the publication of the United States Conference of Catholic Bishops' 2000 pastoral statement on restorative justice the conversation surrounding the need for criminal justice reform and restorative justice has moved forward Redemption and Restoration responds from a Catholic perspective to help form an educational campaign to equip Catholics and their leaders to participate in the national conversation on this issue create the programs needed to assist in healing the harm caused by crime and restore our communities The book develops the traditional Catholic understanding of justice offers a theological understanding of restorative justice explains how it can be implemented and reflects on the practical arguments for restorative justice Grounded in the stories of real people Redemption and Restoration helps readers gain a deeper understanding of how this affects us all as a country and a church It includes discussion questions to engage groups in exploring issues related to restorative justice

Rahab's Faith: A Scarlet Cord of Redemption Ahmed Musa, 2024-12-13 A woman from the margins A scarlet thread of hope A life redeemed by faith In the ancient city of Jericho a woman named Rahab stood at the crossroads of destruction and redemption A prostitute living in a condemned city Rahab's story seems unlikely for such a pivotal role in God's grand narrative Yet through her faith and courageous action she becomes a key figure in the unfolding plan of salvation Rahab's Faith A Scarlet Cord of Redemption dives deep into this remarkable woman's story exploring how God's grace reached her transforming her life and securing her place in the lineage of Christ In Rahab's Faith A Scarlet Cord of Redemption you will discover The incredible story of Rahab's faith and how despite her past she recognized God's power and mercy making a bold choice that spared her life and the lives of her family The significance of the scarlet cord she hung from her window as a sign of faith and how this act of obedience became a symbol of God's saving grace How Rahab's faith not only led to her physical salvation but also to her inclusion in the family of God becoming a part of the lineage of Jesus Christ a reminder that no one is beyond God's reach The deeper meaning of redemption through Rahab's story showing how God is able to use anyone no matter their background for His purposes How Rahab's story challenges us to step out in faith trust in God's promises and be vessels of His redemption in a broken world Rahab's scarlet cord is more than just a symbol of physical deliverance it is a picture of the redemption available to all through faith in Jesus Christ Just as Rahab was saved through her faith in God's promise we too are offered salvation through the blood of Christ which cleanses and restores us to a right relationship with God What does it mean for you to have faith like Rahab How does her story speak to your own need for redemption and God's willingness to restore anyone who calls on His name Rahab's

faith teaches us that redemption isn't about our past but about God's grace to transform us. No matter how far we've fallen, His love is always willing to redeem and restore us to our rightful place in His plan. Step into Rahab's Faith and see how God's grace can rewrite anyone's story. Through faith in Christ, the scarlet cord of redemption is extended to all, offering hope, healing, and a future beyond our past. *Intercultural Discipleship (Encountering Mission)* W. Jay Moon, 2017-12-05. This addition to an acclaimed series brings cutting edge research to bear on a topic of perennial interest: making disciples. The book looks at disciple making from multiple cultures to help readers discover contextual approaches that are culturally relevant and biblically faithful. It emphasizes methods that are especially effective with contemporary converts and includes practical examples from around the world. Each chapter includes sidebars, discussion questions, an activity for discipling, and a case study. An appendix contains further suggestions and exercises for instructors. **Redeeming the time. A sermon [on Eph. v. 16].** Caleb EVANS, 1774. **Ransomed, Redeemed, and Forgiven** David H. McIlroy, 2022-07-05. Images connected to money are found frequently in the Bible and in the hymns and songs Christians sing. The ideas of ransom, redemption, and forgiveness are a key part of how the work of Jesus on the cross is described. But what do the pictures of ransom, redemption, and forgiveness actually mean? How would they have been understood by the first hearers of the gospel? How do they link to kidnapping, slavery, and debt? Using practical examples from his experience as a banking lawyer and from history, David McIlroy shows how power, money, and sin combine to trap us, leaving us in desperate need of a redeemer to rescue us. This book will deepen your understanding of Jesus's death, enrich your worship, and inspire you to share and demonstrate the transformative power of the salvation achieved through the cross and resurrection. *Discipleship* Anton Labuschagne, 2023-03-28. Are you 100 percent convinced of the true heart of God who loves you unconditionally, unmerited, and undeserved? Do you have a deep revelation of what the finished work of the cross means and how you can apply that every day to live a victorious life? Do you have an intimate relationship with the most important person on earth, the Holy Spirit? Do you have a clear understanding of what kingdom life entails? What does it mean to you that you are positioned in Christ? What part do you believe you can play in effectively expanding this powerful kingdom? We are a part of it. The lack of true discipleship undermines everything that we seek to accomplish as believers in this life. Many Christians never commit to a growing relationship with the Lord and, because of this, become unfit to face the challenges in life. This book will inspire every believer and give practical guidelines to help discover the significance of our authority and identity in Christ. It brings dispensational understanding that allows every child of God to possess everything which Jesus paid for on the cross. After all, it makes you fall in love with God all over again. **The Faithful Ones** Shade Sabitu, 2025-06-12. If you're anything like me, you've heard or read Jesus' parable of the prodigal son and thought to yourself, "How come the Faithful Brother was the recipient of the father's correction? Wasn't he the good one?" For those of us who think like that, we're most likely also the same ones who get a bit vexed if someone we've deemed to be undeserving is enjoying blessings that should be reserved for good.

people or a group I call The Faithful Ones If this is you you ve picked up the right book In The Faithful Ones we will consider why people like us choose this way of thinking and why we should consider a mind shift so we can seek the redemption of the prodigals in our lives As we explore the ideas of grace patience and trust in the Father we will find lessons that both Prodigals and Faithful Ones alike can embrace and allow for love and reconciliation **Bible Doctrine for Young Disciples** Frederick Dunlison Power,1899
