This semester in English 101 I have learned a bountiful amount of tips to help my writing techniques. In high school I always thought of myself as a fairly good writer. The one thing I think I lacked was supporting details. This course has helped me to always think when I make a statement. After my statement I make sure to put extra input or additional definitions to make what I am saying crystal clear. Also, in this course, I have learned how to use rhetoric in my papers. Different rhetoric techniques like ethos, logos, and pathos have made some of my pieces so much better.

Before this course I was completely unaware of how to write a formal argument. Now I feel that I have the knowledge and the experience to write a very successful argument. I felt confident in writing my final project due to all of the information I have gained from this course.

The readings that we did in class were extremely insightful as well as interesting. They taught me to see different all different groups of people in totally different ways than what might be expected. The readings opened my eyes and allowed me to see the world in different
