Refuge A Novella:

Refuge: A Novel Dina Nayeri, 2017-07-11 Rich and colorful Refuge has the kind of immediacy commonly associated with memoir which lends it heft intimacy atmosphere New York Times The moving lifetime relationship between a father and a daughter seen through the prism of global immigration and the contemporary refugee experience An Iranian girl escapes to America as a child but her father stays behind Over twenty years as she transforms from confused immigrant to overachieving Westerner to sophisticated European transplant daughter and father know each other only from their visits four crucial visits over two decades each in a different international city The longer they are apart the more their lives diverge but also the more each comes to need the other's wisdom and ultimately rescue Meanwhile refugees of all nationalities are flowing into Europe under troubling conditions Wanting to help but also looking for a lost sense of home our grown up transplant finds herself quickly entranced by a world that is at once everything she has missed and nothing that she has ever known Will her immersion in the lives of these new refugees allow her the grace to save her father Refuge charts the deeply moving lifetime relationship between a father and a daughter seen through the prism of global immigration Beautifully written full of insight charm and humor the novel subtly exposes the parts of ourselves that get left behind in the wake of diaspora and ultimately asks Must home always be a physical place or can we find it in another person Refuge [apr-10] Gopal Gandhi, 2010

Refuge Marilyn Simonds, 2018-09-04 To whom do we offer refuge and why After a life that rubbed up against the century's great events in New York City Mexico and Montreal 96 year old Cassandra MacCallum is surviving well enough alone on her island when a young Burmese woman contacts her claiming to be kin Curiosity loneliness and a slender filament of hope prompts the old woman to accept a visit But Nang's story of torture and flight provokes memories in Cass that peel back layer by layer the events that brought her to this moment and forces her against her will to confront the tragedy she has refused for half a century Could her son really be Nang's grandfather What does she owe this girl who claims to be stateless because of her MacCallum blood Drawn despite herself into Nang's search for refuge Cass struggles to accept the past and find a way into whatever future remains to her

conventionally understood as legal protection it also transcends judicial definitions In *Lived Refuge* Vinh Nguyen reconceptualizes refuge as an ongoing affective experience and lived relation rather than a fixed category with legitimacy derived from the state Focusing on Southeast Asian diasporas in the wake of the Vietnam War Nguyen examines three affective experiences gratitude resentment and resilience to reveal the actively lived dimensions of refuge Through multifaceted analyses of literary and cultural productions Nguyen argues that the meaning of refuge emerges from how displaced people negotiate the kinds of safety and protection that are offered to and withheld from them In so doing he lays the framework for an original and compelling understanding of contemporary refugee subjectivity
