Reiki II Margaret Cheasebro, 2022-04-10 I am truly fortunate to have had the opportunity to experience profound healing and life transformations as a Reiki client and student of Margaret Cheasebro. Her innate giftedness as a healer, depth of knowledge, and unique insights go beyond the conventional understandings of how Reiki can be a healing force in our lives and in the world. We are so blessed to receive all that she has to share. Stacy Webb, Durango, Colorado, Reiki Master and Certified Polarity Therapist. Margaret was an excellent teacher for the Reiki I, Reiki II, and Reiki Master workshops. She was always extremely insightful and knowledgeable regarding the practice of Reiki. When she gave me a treatment, it was very calming, and I gained new insights. I highly recommend Margaret as a Reiki teacher and practitioner. Debra Brown, RN, BSN, CHTP, Reiki Master. Many books exist with helpful information about learning the relaxing healing art of practicing Reiki. What makes *Reiki II: Expanding Your Skills* stand out is that it pulls together from many different sources a vast amount of information about Reiki that is helpful for anyone, whether they are thinking of learning more about Reiki or have practiced it for a long time. The book includes information about the differences between a Reiki I and Reiki II attunement, the emotional and mental cleanses that can be involved in each, detailed comments about dietary considerations and recommended behaviors in the days leading up to an attunement, and information about the meridians that carry energy through our body. It also covers what some experts have discovered about how energy, similar in many ways to Reiki, can have a healing effect on us. It includes pictures of the three Reiki II symbols and how to draw them, as well as some uses for each symbol. There is an aura bath recipe and suggestions about using Reiki to help trees, rivers, mountains, and other parts of nature. One chapter discusses how much to charge clients if you become a Reiki practitioner. An appendix presents basic information about how to use the tapping technique called Emotional Freedom Technique (EFT) to enhance your Reiki work. There are so many details about Reiki to learn and remember. This book will give you important information in an easy-to-read writing style. It is a valuable reference book for anyone studying or practicing Reiki. However, it is not a substitute for a Reiki II attunement. To get that attunement, you must attend a Reiki II workshop and receive an attunement given by a Reiki Master.
