Chris van Wyk - Irascible Genius Kevin van Wyk,2024-07-01 When he died in 2014 author Chris van Wyk left behind an impressive literary legacy The scope of his work was broad poetry children s books short stories and biographies But perhaps he is best remembered for his memoir Shirley Goodness Mercy which chronicles his growing up in Riverlea and introduces us to the colourful characters who helped to shape his life and inform the stories he wrote The public persona of this witty and wise raconteur was well known but behind it was a family man who liked nothing better than to spend time with his two sons Kevin and Karl his wife and childhood sweetheart Kathy and the friends and family who were his primary sources of inspiration Using the unique vantage point of oldest son Kevin van Wyk s astute observations of his father and the strong bond they enjoyed throughout Chris s life have resulted in a memoir that is as affectionate as it is entertaining In taking us behind the scenes into the Van Wyk household we witness the inner workings of the mind of a storyteller from the flowering of his father s activism wit and wisdom to the sources of his occasional quirky outbursts If storytelling runs in the genes Kevin may just be proof that his father s spirit lives on *The Short Story in South Africa* Rebecca Fasselt,Corinne Sandwith,2022-03-24 This book considers the key critical interventions on short story writing in South Africa written in English since the year 2000 The short story genre whilst often marginalised in national literary canons has been central to the trajectory of literary history in South Africa In recent years the short story has undergone a significant renaissance with new collections and young writers making a significant impact on the contemporary literary scene and subgenres such as speculative fiction erotic fiction flash fiction and queer fiction expanding rapidly in popularity This book examines the role of the short story genre in reflecting or championing new developments in South African writing and the ways in which traditional boundaries and definitions of the short story in South Africa have been reimaged in the present Drawing together a range of critical interventions including scholarly articles interviews and personal reflective pieces the volume traces some of the aesthetic and thematic continuities and discontinuities in the genre and sheds new light on questions of literary form Finally the book considers the place of the short story in twenty first century writing and interrogates the ways in which the short story form may contribute to or recast ideas of the post apartheid or post transitional The perfect guide to contemporary short story writing in South Africa this book will be essential reading for researchers of African literature

Identities Leon De Kock,Peter Southey,2002 Who are we and how do we define ourselves This may seem a simple question but in South Africa over the past few decades the issue of identity has been the source of much conflict deep suffering and ultimately liberation *Like Family* Ena Jansen,2019-04-01 An analytic and historical perspective of literary texts to understand the position of domestic workers in South Africa More than a million black South African women are domestic workers Precariously situated between urban and rural areas rich and poor white and black these women are at once intimately connected and at a distant remove from the families they serve Ena Jansen shows that domestic worker

relations in South Africa were shaped by the institution of slavery establishing social hierarchies and patterns of behavior that persist today To support her argument Jansen examines the representation of domestic workers in a diverse range of texts in English and Afrikaans Authors include Andr Brink JM Coetzee Imraan Coovadia Nadine Gordimer Elsa Joubert Antjie Krog Sindiwe Magona Kopano Matlwa Es kia Mphahlele Sisonke Msimang Zukiswa Wanner and Zo Wicomb Like Family is an updated version of the award winning Soos familie 2015 and the highly acclaimed 2016 Dutch translation Bijna familie

will consider This volume provides a wide ranging appraisal of the relationship between stated foreign policy goals and actual outputs and outcomes an assessment of how foreign policy has actually been operationalized and implemented To this end common themes in South African foreign policy provide the framework for the first review These include foreign policy decision making soft power dynamics in the foreign policy's strategic calculus diplomatic tools used economic diplomacy peace diplomacy and paradiplomacy South Africa's relations with key states in Africa in the global south and in the global north South Africa's approach to Africa multilateral global multilateralism governance The review hopes to stimulate further discussion and thinking on the challenges confronted and the future shape and direction of South Africa's foreign policy
