Lindsay,2003-08-02 This volume contains the proceedings of the 2002 symposium Formal Methods th Europe FME 2002 The
symposium was the 11 in a series that began with a VDM Europe symposium in 1987 The symposia are traditionally held
every 18 months In 2002 the symposium was held at the University of Copenhagen as part of the 2002 Federated Logic
Conference FLoC 2002 which brought gether in one event seven major conferences related to logic in computer science as
well as their a liated workshops tutorials and tools exhibitions Formal Methods Europe www.fmeurope.org is an independent
association which aims to stimulate the use of and research on formal methods for software development FME symposia have
been notably successful in bringing together a community of users researchers and developers of precise mathematical thods
for software development The theme of FME 2002 was Formal Methods Getting IT Right The double meaning was intentional
On the one hand the theme acknowledged the signi cant contribution formal methods can make to Information Technology by
enabling computer systems to be described precisely and reasoned about with rigour On the other hand it recognized that
current formal methods are not perfect and further research and practice are required to improve their foundations
