Performance Studies Bryan Reynolds, 2015-01-02 The field of performance studies analyses the production and impact of on stage performance such as in a theatre or circus and off stage performance such as cultural rituals and political protests *Performance Studies Key Words Concepts and Theories* introduces students to 34 key topics seen as paramount to the future of performance studies in a series of short engaging essays by an international team of distinguished scholars Each essay contributes to the wide ranging adventurous and conscientious nature that makes performance studies such an innovative valuable and exciting field

Performance Constellations Marcela A. Fuentes, 2019-10-21 *Performance Constellations* maps transnational protest movements and the dynamics of networked expressive behavior in the streets and online as people struggle to be heard and effect long term social justice Its case studies explore collective political action in Latin America including the Zapatistas in the mid 90s protests during the 2001 Argentine economic crisis the 2011 Chilean student movement the 2014 2015 mobilizations for the disappeared Ayotzinapa students and the 2018 transnational reproductive rights movement The book analyzes uses of space time media communication and corporeality in protests such as virtual sit ins flash mobs scarfazos and hashtag campaigns arguing that these protests not only challenge hegemonic power but are also socially transformative While other studies have focused either on digital activism or on street protests *Performance Constellations* shows that they are in fact integrally entwined Zooming in on protest movements and art activism in Mexico Argentina and Chile and putting contemporary insurgent actions in dialogue with their historical precedents the book demonstrates how even in moments of extreme duress social actors in Latin America have taken up public and virtual space to intervene politically and to contest dominant powers

Performance in the Twenty-First Century Andy Lavender, 2016-05-26 *Performance in the Twenty First Century* Theatres of Engagement addresses the reshaping of theatre and performance after postmodernism Andy Lavender argues provocatively that after the classic postmodern tropes of detachment irony and contingency performance in the twenty first century engages more overtly with meaning politics and society It involves a newly pronounced form of personal experience often implicating the body and or one s sense of self This volume examines a range of performance events including work by both emergent and internationally significant companies and artists such as Rimini Protokoll Blast Theory dreamthinkspeak Zecora Ura Punchdrunk Ontroerend Goed Kris Verdonck Dries Verhoeven Rabih Mroue Derren Brown and David Blaine It also

considers a wider range of cultural phenomena such as online social networking sports events installations games based work and theme parks where principles of performance are in play Performance in the Twenty First Century is a compelling and provocative resource for anybody interested in discovering how performance theory can be applied to cutting edge culture and indeed the world around them *Evolution, Cognition, and Performance* Bruce McConachie, 2015-12-15 Culture and cognition work together dynamically every time a spectator interprets meaning during a performance In this study Bruce McConachie examines the biocultural basis of all performance from its origins and the cognitive processes that facilitate it to what keeps us coming back for more To effect this major reorientation McConachie works within the scientific paradigm of enaction which explains all human activities including performances as the interactions of mental bodily and ecological networks He goes on to use our biocultural proclivity for altruism as revealed in performance to explore our species gradual ethical progress on such matters as the changing norms of religious sacrifice slavery and LGBT rights Along the way the book engages with a wide range of performances including Richard Pryor s stand up the film Titanic aerialist performances American football and the stage and film versions of *A Streetcar Named Desire* Time and Performer Training Mark Evans, Konstantinos Thomaidis, Libby Worth, 2019-02-08 Time and Performer Training addresses the importance and centrality of time and temporality to the practices processes and conceptual thinking of performer training Notions of time are embedded in almost every aspect of performer training and so contributors to this book look at age aging and children in the training context how training impacts over a lifetime the duration of training and the impact of training regimes over time concepts of timing and the right time how time is viewed from a range of international training perspectives collectives ensembles and fashions in training their decay or endurance Through focusing on time and the temporal in performer training this book offers innovative ways of integrating research into studio practices It also steps out beyond the more traditional places of training to open up time in relation to contested training practices that take place online in festival spaces and in folk or amateur practices Ideal for both instructors and students each section of this well illustrated book follows a thematic structure and includes full length chapters alongside shorter provocations Featuring contributions from an international range of authors who draw on their backgrounds as artists scholars and teachers Time and Performer Training is a major step in our understanding of how time affects the preparation for performance Chapter 16 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons CC BY 4.0 license

Church Music Through the Lens of Performance Marcell Silva Steuernagel, 2021-03-14 This book is an investigation into church music through the lens of performance theory both as a discipline and as a theoretical framework Scholars who address religious music making in general and Christian church music in particular use performance in a variety of ways creating confusion around the term A systematized performance vocabulary for the study of church music can support interdisciplinary investigations of Christian congregational music making in today s complex interconnected world From the

perspective of performance theory all those involved in church musicking are performing be it from platform or pew The book employs a hybrid methodology that combines ethnographic research and theory from ritual studies ethnomusicology theology and church music scholarship to establish performance studies as a possible next step in church music studies It demonstrates the feasibility of studying church music as performance by analyzing ethnographic case studies using a developmental framework based on the concepts of ritual embodiment and play change This book offers a fresh perspective on Christian congregational music making It will therefore be a key reference work for scholars working in Congregational Music Studies Ethnomusicology Ritual Studies and Performance Studies as well as practitioners interested in examining their own church music practices

Theatre and Voice Konstantinos Thomaidis, 2017-09-16 How can we rethink the importance of voice in performance How can we understand voice simultaneously as music and text as sound and body or as both personal and political This book explores voice across genres media and cultures inviting the reader to reassess established ways of analysing enjoying and listening to voice Using a wide range of case studies integrated with critical and philosophical frameworks it makes audible the multiple ways in which voice contributes to how we perform identities From opera and musical theatre to live art and immersive audio walks Konstantinos Thomaidis presents voice as plural elusive and ripe for reinvention

Islam and Popular Culture Karin van Nieuwkerk, Mark LeVine, Martin Stokes, 2016-04-12 Popular culture serves as a fresh and revealing window on contemporary developments in the Muslim world because it is a site where many important and controversial issues are explored and debated Aesthetic expression has become intertwined with politics and religion due to the uprisings of the Arab Spring while at the same time Islamist authorities are showing increasingly accommodating and populist attitudes toward popular culture Not simply a westernizing or secularizing force as some have asserted popular culture now plays a growing role in defining what it means to be Muslim With well structured chapters that explain key concepts clearly *Islam and Popular Culture* addresses new trends and developments that merge popular arts and Islam Its eighteen case studies by eminent scholars cover a wide range of topics such as lifestyle dress revolutionary street theater graffiti popular music poetry television drama visual culture and dance throughout the Muslim world from Indonesia Africa and the Middle East to Europe The first comprehensive overview of this important subject *Islam and Popular Culture* offers essential new ways of understanding the diverse religious discourses and pious ethics expressed in popular art productions the cultural politics of states and movements and the global flows of popular culture in the Muslim world

Inter Views in Performance Philosophy Anna Street, Julien Alliot, Magnolia Pauker, 2017-09-20 This book offers a glimpse of new perspectives on how philosophy performs in the gaps between thinking and acting Bringing together perspectives from world renowned contemporary philosophers and theorists including Judith Butler Alphonso Lingis Catherine Malabou Jon McKenzie Martin Puchner and Avital Ronell this book engages with the emerging field of performance philosophy exploring the fruitful encounters being opened across disciplines by this constantly evolving approach Intersecting dramatic

techniques with theoretical reflections scholars from diverse geographical and institutional locations come together to trace the transfers between French theory and contemporary Anglo American philosophical and performance practices in order to challenge conventional approaches to knowledge Through the crossings of different voices and views the reader will be led to explore the in between territories where performance meets traditionally philosophical tools and mediums such as writing discipline plasticity politics or care

Intermedial Theater Bryan Reynolds, 2017-04-06 This book explores relationships between intermedial theater consciousness memory objects subjectivity and affect through productive engagement with the performance aesthetics socio cognitive theory and critical methodology of transversal poetics alongside other leading philosophical approaches to performance It offers the first sustained analysis of the work of Gilles Deleuze Félix Guattari Jean Baudrillard and Friedrich Nietzsche in relation to the contemporary European theater of Jan Lauwers and Needcompany Romeo Castellucci and Societas Raffaello Sanzio Thomas Ostermeier Rodrigo García and La Carnicería Teatro and the Transversal Theater Company It connects contemporary uses of objects simulacra and technologies in both posthumanist discourse and postdramatic theater to the transhistorically and culturally mediating power of Shakespeare as a means by which to discuss the affective impact of intermedial theater on today's audiences

The Philosophy of Matter Rick Dolphijn, 2021-07-15 The Philosophy of Matter is a journey in thinking through the material fate of the earth itself its surfaces and undercurrents ecologies environments and irreparable cracks With figures such as Spinoza Gilles Deleuze and Michel Serres as philosophical guides and writings on New Materialism Posthumanism and Affect Theory as intellectual context Rick Dolphijn proposes a radical rethinking of some of the basic themes of philosophy subjectivity materiality body both human and otherwise and the act of living This rethink is a work of imagination and meditation in order to conceive of another earth for another people It is a homage to courageous thinking that dares to question the religious capitalist and humanist realities of the day A poetic philosophy of how to live in troubling times when even the earth beneath us feels unstable Dolphijn offers a way to think about the world with depth honesty and glimpses of hope

Politics of Practice Lynette Hunter, 2019-10-17 This book discusses affective practices in performance through the study of four contemporary performers Keith Hennessy Ilya No Caro Novella and duskin drum to suggest a tentative rhetoric of performativity generating political affect and permeating attempts at social justice that are often anterior to discourse The first part of the book makes a case for the political work done alongside discourse by performers practising with materials that are not known in ways that are directly relevant to people carrying out their daily lives In the second part of the book four case study chapters circle around figures of irresolvable paradox hendiadys enthymeme anecdote allegory that gesture to what is not known to study strategies for processes of becoming knowing and valuing These figures also shape some elements of these performances that make up a suggested rhetorical stance for performativity

Woke Shakespeare: Rethinking Shakespeare for a New Era Ian McCormick, 2025-06-07 Shakespeare's plays have always been embroiled in political and cultural debates From the

Elizabethan Jacobean stage to modern classrooms his works provoke conversation challenge conventions and ignite controversy Nonetheless Shakespeare's central position in the traditional cultural establishment is facing renewed scrutiny as some critics start to question whether his works should still occupy a prime position on the syllabus and the stage Debates about woke ideology emerging in part out of the earlier culture wars have stimulated renewed interest in the role of various schools of critical enquiry ranging from feminism and gender to queer theory postcolonialism and race to cultural materialism global studies to eco criticism social class to social justice The essays in this new collection provide a forum for more diverse voices and debates seeking to explore how to engage with modern social and political issues in transformative ways How can we navigate new thinking about the struggle for social justice while reimagining Shakespeare's role in a rapidly changing political cultural landscape How does Shakespeare's work intersect with modern political anxieties such as the politics of woke and cultural panic In terms of rethinking identity and human agency what do Shakespeare's characters reveal or obscure about today's debates on race gender and social justice With regard to censorship safety and emancipation how should educators approach potentially sensitive content in a way that respects both free speech and inclusivity To what extent does working with Shakespeare involve global perspectives and postcolonial insights that might contribute to decolonizing the curriculum How do new platforms social media conversations and digital adaptations shape our engagement with Shakespearean texts Featuring feminist reinterpretations queer temporalities global perspectives and postcolonial adaptations appropriations **WOKE SHAKESPEARE** challenges readers to reconsider Shakespeare's current contribution to twenty first century culture It is an essential resource for educators performers and scholars who wish to grapple with Shakespeare's contested legacy and explore innovative approaches to his works in an era of political struggle and social transformation Whether embracing resisting or reinterpreting woke ideologies this book aims to foster a civilized and critical dialogue about Shakespeare's enduring influence in a world that is constantly redefining itself in line with controversial new ideas about social justice

The Routledge Handbook of Shakespeare and Global Appropriation Christy

Desmet, Sujata Iyengar, Miriam Jacobson, 2019-08-28 The Routledge Handbook of Shakespeare and Global Appropriation brings together a variety of different voices to examine the ways that Shakespeare has been adapted and appropriated onto stage screen page and a variety of digital formats The thirty nine chapters address topics such as trans and intermedia performances Shakespearean utopias and dystopias the ethics of appropriation and Shakespeare and global justice as guidance on how to approach the teaching of these topics This collection brings into dialogue three very contemporary and relevant areas the work of women and minority scholars scholarship from developing countries and innovative media renderings of Shakespeare Each essay is clearly and accessibly written but also draws on cutting edge research and theory It includes two alternative table of contents offering different pathways through the book one regional the other by medium which open the book up to both teaching and research Offering an overview and history of Shakespearean appropriations as

well as discussing contemporary issues and debates in the field this book is the ultimate guide to this vibrant topic It will be of use to anyone researching or studying Shakespeare adaptation and global appropriation Traumatic Storytelling and Memory in Post-Apartheid South Africa Christopher J. Colvin, 2018-12-14 This book explores the practice of traumatic storytelling that emerged out of the South African Truth and Reconciliation Commission and came to play a key role in the lives of the members of the Khulumani Support Group for victims of apartheid era political violence Group members found traumatic storytelling both frustrating and yet also an important form of memory work that shaped how they saw themselves in the post apartheid era Drawing on ethnographic fieldwork the author examines how traumatic storytelling functioned not only as a kind of psychological healing and national political theatre but also as a potent form of social relation economic exchange political activism and expressive practice With emphasis on the personal social and political significance of the act of traumatic storytelling this volume asks why members of Khulumani despite their many disappointments continued to engage intensively in storying their experiences for themselves and others Examining what powers storytelling held for both group members and their witnesses and considering the ways in which storytelling enabled new senses of self and new understandings of what was possible in the years after the end of apartheid this book considers what we might learn more broadly from the experiences of Khulumani about the possibilities and limits of traumatic memory making as an instrument of personal social and political repair As such it will appeal to scholars of sociology anthropology and criminology with interest in justice and post conflict societies **Intercultural Acting and Performer Training** Zarrilli Phillip, T
