

Investing For The Future

Why Invest?

- 1. Investing is the use of long-term investments to earn a financial return.
- 2. Investing is a process and a particular way of managing your financial position over time.
- 3. It is an essential part of working for future needs. It provides a source of income in addition to a pay packet, allowing you to start saving early today.

Investing Means Diversification

- 1. Diversify is to mix in two particular objectives
- 2. Efficient returns generating positive results.
- 3. The principle is to diversify investments to get the best possible return.
- 4. Diversify your investments and you will have more than 10% returns.

Investment

- 1. The **Investment** is a long-term investment in the form of a portfolio of assets, such as stocks, bonds, and other assets, which are expected to grow in value over time.
- 2. During the investment period, the value of the investment may rise or fall, but the overall goal is to achieve a positive return.
- 3. For example, if you invest \$100,000 in a portfolio of assets, you may expect to earn a 10% return over the next 10 years, which would mean you would have \$110,000 at the end of the period.

Investing Involves Risk

- 1. Investing involves risk, which means that you could lose your money.
- 2. Investing is a long-term process, which means that you may not see a return on your investment for many years.
- 3. If you invest in a stock, you are participating in the company's success or failure, and you may lose your money if the company fails.
- 4. You will be responsible for the success and failure of your investment.

Investing Is Financial Planning

- 1. Investing is a financial planning process, which means that you are planning for the future.
- 2. Investing is a long-term process, which means that you are planning for the future.
- 3. Investing is a financial planning process, which means that you are planning for the future.
- 4. Investing is a financial planning process, which means that you are planning for the future.

Investment Objectives

- 1. Invest in a long-term investment.
- 2. Invest in a short-term investment.
- 3. Invest in a long-term investment.
- 4. Invest in a short-term investment.
- 5. Invest in a long-term investment.
