JESUS DROPPED THE CHARGES DR. PAUL CRAWFORD, 2025-08-01 Every courtroom carries the weight of stories untold stories of broken lives desperate choices and the fragile hope that truth will triumph Behind the polished wood beneath the gavel's echo lies a battlefield where justice and mercy wrestle for dominion Most people see trials as nothing more than verdicts rendered by human hands But in reality every earthly court is but a shadow of a greater courtroom one that exists beyond time where the Judge of all creation sits enthroned This is a novel about both of those courtrooms It is the story of a weary attorney who has lost his faith in justice and a redeemed ex convict who has found his hope in Christ When their paths collide over a crime one did not commit both men are forced to confront questions far bigger than innocence or guilt What is true justice Can mercy and truth walk hand in hand And what happens when grace interrupts the verdict we deserve The title of this book Jesus Dropped the Charges comes from the heart of the gospel itself Each of us whether we wear a suit and tie or prison blues stands accused in a higher court The evidence against us is overwhelming Our records are stained The accuser points to every failure every selfish deed every sin that chains us to condemnation By every legal standard of heaven we stand guilty And yet there is an Advocate who steps forward With scars in His hands and love in His voice Jesus declares The charges are paid in full This one is free Through the intertwined lives of David Jenkins the disillusioned lawyer and Marcus Mack Sterling the reformed convict this novel weaves a tale of suspense redemption and unexpected grace You will journey into the gritty halls of human justice and the radiant courts of divine mercy You will see a man on trial for his life and another on trial for his soul This is not just a story of courtroom drama It is a story of every man and woman who has ever wondered if forgiveness is possible if second chances are real if grace is stronger than guilt The answer written in blood on the cross and echoed in these pages is simple yet profound Yes Jesus dropped the charges

On Stumbling Towards Truth Richard Parr, Truth is rarely a straight road More often it is a path full of stumbles hesitations and wrong turns Yet in the very act of faltering we uncover glimpses of clarity that certainty alone could never grant In *On Stumbling Towards Truth*

Richard Parr reflects on the human search for meaning as a journey defined not by triumph but by error doubt and persistence Drawing on philosophy personal reflection and cultural insight Parr suggests that our missteps are not failures but essential steps along the way Truth he argues is less a final destination than a horizon we continually approach stumble towards and rediscover anew A compassionate and deeply thoughtful exploration this book offers solace for seekers skeptics and wanderers alike It reminds us that wisdom is often found not in the perfect stride but in the stumble that teaches us how to walk differently Sometimes the crooked path is the only way forward

James Baldwin A. Scott Henderson, Paul Lee Thomas, 2014-05-05 The recognition and study of African American AA artists and public intellectuals often include Martin Luther King Jr and occasionally Booker T Washington W E B DuBois and Malcolm X The literary canon also adds Ralph Ellison Richard Wright Langston Hughes and others such as female writers Zora Neale Hurston Maya Angelou and Alice Walker Yet the acknowledgement of AA artists and public intellectuals tends to skew the voices and works of those included toward normalized portrayals that fit well within foundational aspects of the American myths reflected in and perpetuated by traditional schooling Further while many AA artists and public intellectuals are distorted by mainstream media public and political characterizations and the curriculum several powerful AA voices are simply omitted ignored including James Baldwin This edited volume gathers a collection of essays from a wide range of perspectives that confront Baldwin's impressive and challenging canon as well as his role as a public intellectual Contributors also explore Baldwin as a confrontational voice during his life and as an enduring call for justice

No Saints around Here Susan Allen Toth, 2014-04-01 When we promise in sickness and in health it may be a mercy that we don't know exactly what lies ahead Forcing food on an increasingly recalcitrant spouse Brushing his teeth Watching someone you love more than ever slip away day by day As her husband James's Parkinson's disease with eventual dementia began to progress writer Susan Allen Toth decides she intensely wants to keep her husband at home the home he designed and loved and lived in for a quarter century until the end No saint as she often reminds the reader Toth found solace in documenting her days as a caregiver The result written in brief episodic bursts during the final eighteen months of James's life has a rare and poignant immediacy Wrenching occasionally peevish at times darkly funny and always deeply felt Toth's intimate unsparing account reflects the realities of seeing a loved one out of life the critical support of some friends and the disappearance of others the elasticity of time infinitely slow and yet in such short supply the sheer physicality of James's decline and the author's own loneliness the practical challenges the right food the right wheelchair the right hospital bed all intricately interlocking parts of the act of loving and caring for someone who in so many ways is fading away We all need someone to hear us Toth says of the millions

who devote their days to the care of a loved one Her memoir is at once an eloquent expression of that need and an opening for others No Saints around Here is the beginning of a conversation in which so many of us may someday find our voices
