Redemption Road J. C. Hulsey, 2017-10-10 Don t Take Your Guns to Town A 1958 song by Johnny Cash I remember the first time I heard this song I was driving home from work When the song was over I couldn t concentrate on the other songs that were playing on the radio The words Don t Take Your Guns to Town kept going over and over in my head Now years later as I recall the song Don t Take Your Guns to Town I was inspired to write this story Justifiable homicide That s what they called it Therefore I only had to serve twenty years instead of the mandatory life sentence for murder The judge said I could have been hanged I got out in seventeen years for good behavior Now here I am on my way home wondering if I still have a home still have a wife Do I still have a son Did she wait like she said she would in the few letters that I received I wouldn t blame her if she didn t Seventeen years is a long time to wait for a passionate woman like her The story of an Ex Gunfighter just released after seventeen years in prison on his way home The thoughts and memories that go through his head while traveling toward his home Redemption Road Pale Horse Publications, J C Hulsey, 2021-05-05

Owen Ward PhD, 2015-11-18 Christianity is one of the most popular subjects of debate in the world today In this book Dr Ward directs the debate to the Bible itself He contends that the core of the biblical revelation of Christ has been overlooked ignored and even dismissed throughout thousands of years of Church history He challenges us to look deeper into the Scripture and discover what it means that Jesus is Christ As many precious gifts come in a small package Christ is identified in the Bible with one small five letter word used in its metaphysical context only four times in only one chapter of the New Testament In the beginning was the Logos and the Logos was with God and the Logos was God and the Logos became flesh and dwelt among us Jn 1 1 14 As Dr Ward demonstrates once we have a grasp of the meaning of this single Word it acts like a secret code unlocking the vision of the Big Picture Grand Design God intended when he inspired John to write his Gospel Unfortunately few Christians today know anything about the Great Conversation of philosophical thought that John adopted at the core of his God Story Dr Ward invites us into our own personal psychological encounter with a here and now renaissance Return to Antiquity joining the Church Fathers who dedicated their lives to the depth of this expansive vision Open your mind to revision and redefine your faith Let the big T Truth transform your mind heal your wounds and open your heart to this wonderful heritage at the root of the great Christian tradition From Glory to Glory **The Hasidic Psychology**, 2003-11-01 Interest in the impact of ethical systems and social or religious ideologies on socio behavioral patterns is a longstanding theme in social science research While interest may have begun with Max Weber and his thesis of the relationship between the Protestant ethic and the spirit of capitalism it extends far beyond this Surprisingly few studies have delved into the socio behavioral patterns emanating from Jewish ethics This book with a new introduction by the author fills that gap As Hasidic Psychology makes clear Jewish ethics are unique in many ways especially in that they are essentially other centered Man s ability to affect his own future and interpersonal relations are explained according to the theory of contraction popularized in Hasidic thought God by contracting Himself to evacuate space for the human world bestowed upon man the power and responsibility to determine his own future and even affect God s disposition In the first part of the book the sociological structural concept of mono versus multiple ideal labeling is introduced This concept refers to a social system in which diverse material and spiritual actualization patterns are structurally introduced as equal social ideals In the second part basic tenets of classic interaction and socialization are compared to the interpersonal

perspective and the contraction theory is explained as a process of mutual emulation whereby father and son affect each other In the third part a functional approach to deviance is developed through the Hasidic process known as ascend via descend *Christian Companion* ,1907 Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 ,2004
