Rediscovering The New Testament Church:

Rediscovering the New Testament Church Anthony Jacomb-Hood, 2014-12-22 The vast majority of Western Christians assume that church as we know it is somehow patterned after New Testament norms with our services our pastors and priests and our Sunday morning sermons Rediscovering The New Testament Church gently challenges that assumption meticulously uncovering the New Testament description of what God calls church Have we perfected what God set in motion or did we fix what was never broken in the first place The Miraculous Assembly Oluyemi Ogunjimi, 2021-10-06 In The Miraculous Assembly God reaches out to those who seek validation of their Christian experience and long to manifest His presence Miraculous is not what the New Testament Church does it is what she is In search of acts of wonder she is losing her true nature It is time to rediscover and recover her essence as The Miraculous Assembly The Church is a temple that Jesus Christ is building for God Currently many local churches employ wrong motives and use alien practices to build His Church These methods have changed the perception of what the Church is and many Christians do not know who they are in Jesus Christ Strange practices have gradually crept into the Church psychologists hypnotists and capitalists are gradually replacing the truth of God with a lie They define the Church and authenticity of the Christian experience by cheap acts of wonder which they can easily counterfeit Showmanship is replacing Christlikeness When a construction project is in danger of going wrong the architect calls the attention of the engineers and artisans to the building plans This book is a call by the Lord for His builders to return to the plan He calls Pastors Church Leaders and Christians alike to fall in line before an imminent pruning of the Church by the Father This Bible centered book shows that it is all in His word The Old Testament is the blueprint for the New Testament and the early Church is a model to follow Inside this book you will find An exploration of the roles and nature of miracles and the Church Keys for Christians and local churches to experience the miraculous life The triune means of God's presence with His people The triune foundation of the Church Types of anointing and speaking in tongues Four chapters on speaking in tongues Biblical keys to Church growth The true signs of God's presence as His timeless unmistakable sovereign acts in His assembly What it means to have a God centered life and a God centered Church

Practical Christianity Ira Milligan, 2021-12-12 Practical Christianity Rediscovering the New Testament Church is a field manual for effective spiritual warfare God's mighty army is disorganized and uncertain of how to fight against the subtle and deceptive hit and run tactics the enemy is using This book's twofold purpose is to provide a biblical training manual to raise up an effective fighting force for war along with detailed instructions for making a new wineskin to serve the new wine that God has for this generation Our old wineskin cannot contain or sustain the billion soul end time harvest that God has planned To fight and win a billion souls to Christ and then lose them from the lack of a trained workforce to nurture and disciple them would be a catastrophic loss The time to prepare is now **Rediscovering Jesus** David B. Capes, Rodney Reeves, E. Randolph Richards, 2015-07-08 Who is your Jesus This textbook introduction gives an enjoyable and challenging look at how

The Church according to Paul James W. Thompson, 2014-09-09 Amid conflicting ideas about what the church should be and do in a post Christian climate the missing voice is that of Paul The New Testament's most prolific church planter Paul faced diverse challenges as he worked to form congregations Leading biblical scholar James Thompson examines Paul's ministry of planting and nurturing churches in the pre Christian world to offer guidance for the contemporary church The church today as then must define itself and its mission among people who have been shaped by other experiences of community Thompson shows that Paul offers an unprecedented vision of the community that is being conformed to the image of Christ He also addresses contemporary misunderstandings of words like missional megachurch and formation

The Restless Church Mark Fairley, 2014-02-19 Many people are longing for a greater cause They are no longer content with church as usual They read of the church in the New Testament and their curiosity is piqued The New Testament accounts are far removed from their experience every week They hear contemporary stories of the church expanding rapidly in parts of China and India and their hearts soar Neil Cole Have you ever read the Bible and wondered why the early church is so far removed from the one we experience today Have you ever wondered why a church so thrilling real authentic and powerful in the pages of the New Testament seems to have been rendered so dull fake hypocritical and weak by our contemporary formulas Are you tiring of a stale weekly ritual that doesn't seem to be making any discernible difference The truth is that the church we have come to know looks very little like the one Jesus intended The simple informal community characterised by love that we read about in Acts has become a formalized ritual driven by apathy fear comfort market forces and man made tradition Over time the vibrant community of Jewish believers who fearlessly spread the gospel healed the sick and cast out demons has become a broken empty institution and an irrelevance to the world around it And now provoked by the Holy Spirit the church is getting restless We're beginning to question the rituals the churchianity and the Sunday show routine and starting to ask what it might be like to go back to genuine New Testament Christianity There's a longing to be a part of that vibrant loving informal powerful raw and life changing community once again In *The Restless Church* we deconstruct what the church has become show what a genuine New Testament church might look like today and invite you to become part of the worldwide movement for change
