researching biscotti recipes I was surprised by the limited and repetitive flavor profiles and challenged myself to create a broader assortment of recipes. The result is this comprehensive book with 75 recipes for sweet, savory, and gluten-free biscotti including Ancho Chili, Chocolate Carrot Cake, S'mores, Red Velvet, Nutella, and Peppermint, as well as savory flavors like Falafel, Pizza, and Porcini Rosemary. The three most important things I learned that ultimately led to my success in making great biscotti are proper cooking time, enough cooling time, and slicing on the diagonal using a very sharp knife. Excellent ingredients like fine chocolate, pure extracts, fresh eggs, kosher salt, good quality dried fruit, whole raw nuts, and good quality flours and grains contribute excellent flavor and texture. These biscotti are great for snacks, desserts, and pack well for lunches and travel. The savory biscotti are a great addition to any bread basket or charcuterie platter.
