Hyunjin Seo

Registration At Candlelight For 2016:

Calculated Nationalism in Contemporary South Korea Gil-Soo Han, 2025-10-01 Nationalism in a nation state reflects its emergent structural cultural and personal properties at a given time In the politico historical context of South Korea and the globe the fruits of the 1968 Revolution in France could not reach Korean society under its military regime and exploitative economic structure This continued to frustrate the grassroots and especially social actors in South Korea which eventually brought about the June Struggle in 1987 and the 2016 2017 Candlelight Revolution *Calculated Nationalism in Contemporary South Korea* sketches Korean grassroots perception of their nation state national identities and what they desire regarding the future direction of their nation state The grassroots have openly spoken out about their frustrations through political rallies and media This book attempts to reflect the minds of Korean progressives regarding in particular the forcibly recruited Japanese military comfort women Abe s trade provocation against South Korea in 2019 reunification the 2016 2017 Candlelight Revolution National Flag carriers struggles and bullying at work *Consolidating Democracy* Brendan Howe, 2022-11-21 This book assesses democratic resilience and challenges in relatively newly emerging democracies in the Asia Pacific which are simultaneously important case studies as newly emerging middle powers Across all dimensions and measurements South Korea and Indonesia are consistently the most salient case studies to consider The two case studies are compared across three sections First the relationship between economic development and democratic resilience in Indonesia and South Korea Second nature of political culture and societal constructs in the two case studies The final section looks at the potential peculiarities of the two case studies which are seen as uniquely challenged Indonesia by religious persecution and South Korea by political populism Certainly democratization is a long and difficult process This book provides insight into how the two countries have embarked on similar democratization projects It also delineates the successes and failures from which valuable lessons on democratization can be drawn *Networked Collective Actions* Hyunjin Seo, 2022 The summer of 2016 saw one of the most significant citizen protests in the history of democratic South Korea eventually culminating in the impeachment and conviction of then President Park Geun hye for corruption Concerns about the president s behavior were raised in a polarized media environment with low public trust where extreme right wing media outlets amplified conspiracy theories and false claims in opposition to impeachment How then was it possible for pro impeachment protests seeking major social change to succeed And why did pro Park protesters and government efforts to defend Park ultimately fail Based on interviews with key players in the impeachment movement and original analyses of news reports and social media posts *Networked Collective Actions* untangles the intricate interactions among different actors that were supported and sometimes constrained by the technological socio political and legal environments in which they occurred Moreover Hyunjin Seo develops a theoretical framework for understanding collective actions in dynamic information ecosystems and analyzes how information consumption patterns might prompt someone to either immediately

reject a certain piece of information or to reconsider and adopt that same information. Seo provides a nuanced examination of the role of journalism in a democracy where non traditional intermediaries e.g. social media influencers and bots have emerged as important producers and filters of information and in light of declining trust in news media.

The Crisis of Democracy? Chances, Risks and Challenges in Japan (Asia) and Germany (Europe) Ralf Kleinfeld, Carmen Schmidt, 2019-10-29

Is democracy in crisis? Against the background of a visible loss of trust in political, economic, religious and other institutions in Japan and Germany, this question is being posed with increasing urgency. This volume brings together contributions from political sciences, sociology, economics, psychology, history, law and educational science to shed light on the future of our democracies, economies, educational systems, party politics, national policies and social structural changes as well as socialization in the family and school and related value changes. By focusing on Japan and Germany and including examples from Western Europe and East Asia, this publication will determine transnational tendencies and provide an understanding of the different consequences of development from country to country against the background of different historical, cultural traditions and institutional realities.

The New Dynamics of Democracy in South Korea Chae-Han Kim, 2021-06-29

South Korea has been through important changes since its democratization in the late 1980s, most recently in 2016-2017 when the candlelight protests led to the ousting of Park Geun-hye and the election of Moon Jae-in. Taking a thematic approach to understanding South Korean democracy, each chapter in this textbook is written by a leading Korean expert on a different element of South Korean politics and government. Covering themes such as intergenerational differences, the instability of the party system, the role of the president and the impact of the 2016 demonstrations, this is a vital and lively introduction to Korean politics. This systematic and nuanced approach helps you understand the past, present and possible futures of South Korea's democracy. It also helps in understanding South Korea's system for the purposes of comparing it with other political systems. The New Dynamics of Democracy in South Korea is an invaluable textbook for students of Korean politics which will also be a useful resource for scholars of comparative democracy.

Communication, Digital Media, and Popular Culture in Korea Kyong Yoon, Yong Jin, Nojin Kwak, 2018-05-16

In recent decades, Korean communication and media have substantially grown to become some of the most significant segments of Korean society. Since the early 1990s, Korea has experienced several distinctive changes in its politics, economy and technology which are directly related to the development of local media and culture. Korea has greatly developed several cutting-edge technologies such as smartphones, video games and mobile instant messengers to become the most networked society throughout the world. As the Korean Wave exemplifies, the once small and peripheral Korea has also created several unique local popular cultures including television programs, movies and popular music known as K-pop, and these products have penetrated many parts of the world. As Korean media and popular culture have rapidly grown, the number of media scholars and topics covering these areas in academic discourses has increased. These scholars' interests have expanded from traditional media such as Korean

journalism and cinema to several new cutting edge areas like digital technologies health communication and LGBT related issues In celebrating the Korean American Communication Association s fortieth anniversary in 2018 this book documents and historicizes the growth of growing scholarship in the realm of Korean media and communication *Korean Nonprofit/Non-Government Sector Research* Sung-Ju Kim,Jin-Kyung Jung,2020-06-15 In *Korean Nonprofit Non Government Sector Research* Sung Ju Kim and Jin Kyung Jung review the various aspects of the nonprofit sector in South Korea The authors discuss the historical progress of the South Korean nonprofit sector the internal and external environments of the nonprofit sector its legal aspects and financial resources collaboration among nonprofit for profit and government agencies and current challenges for the nonprofit sector in South Korea **The Cambridge Handbook of Labor and Democracy** Angela B. Cornell,Mark Barenberg,2022-01-20 Social scientists and legal scholars from different disciplines and perspectives explore the intersection of labor and democracy **Digital Media, Online Activism, and Social Movements in Korea** Hojeong Lee,Joong-Hwan Oh,2021-03-18 *Digital Media Online Activism and Social Movements in Korea* deepens the current understanding of online activism and its impacts on society by highlighting how various forms of social movements have been mobilized in Korea Through exploring movements in Korea such as political participation based on SNS the 2008 U S beef protests and the 2016 2017 candlelight vigils the contributors study the intersection of digital media platforms current trends and social cultural and political conditions within Korean society Using a wide range of events and movements this book analyzes how people have utilized the development of digital media to facilitate social movements and effect social change *Shooting for Change* Jung Joon Lee,2024-02-23 Jung Joon Lee examines postwar Korean photography across multiple genres and practices showing how the practice of photography is central to shaping memory of historical events representing the ideal national family and motivating social movements
