Gospel-Centered Marriage Counseling Robert W. PhD Kelleman, 2020-09-15 Pastors and counselors regularly minister to people whose marriages or families are in crisis Tempers run high and feelings are brought low when a marriage is hurting or a family is in disarray Pastors and counselors need practical biblical help in order to connect their theological training to the reality of modern messy relationships These how to training manuals provide relevant user friendly equipping for pastors counselors lay leaders educators and students enabling them to competently and compassionately relate God's Word to marriage and family life **Knowing and Being Known** Erin F. Moniz, 2025-05-06 I can live without sex but I can't live without intimacy In today's landscape of digital interactions many people long for deeper connections We have a desire to move from being lonely and disconnected in our relationships to be seen known and wholly loved From friendships to romantic relationships meaningful and genuine personal connections remain our heart's desire College chaplain Rev Erin

Moniz is deeply attuned to the questions and concerns of today's emerging adults. In *Knowing and Being Known* she explores the essential elements of healthy relationships, addresses the complexities of intimacy, and shines a light on the barriers that can impede genuine connection. With her compelling storytelling and expert insights from her research with emerging adults, she emphasizes the significant role of identity and self-worth in fostering meaningful relationships. This comprehensive resource goes beyond the subject of sex, providing a holistic perspective on intimacy that resonates with single emerging adults and married couples alike. Begin to experience healthy relationships and transform your relational world as you ask better questions to get better answers. To know that we are loved by God is to know our identity in Christ. And this knowing provides us the tools and the path to a healthy, sustainable intimacy that allows us to be at home in our fullness in the gospel and with each other.

Christian Contours Douglas S. Huffman, 2012-01-12 What does it mean to think and live Christianly in a world of competing worldviews? *Christian Contours* answers this question by inviting readers to consider the understanding of reality proposed by the Bible. Though it is easy to divide life into separate compartments—religious and secular—theological and practical faith invites us to view all of life in the light of that Biblical understanding. Presenting a clear, compelling case for unity in essential Christian tenets, the authors of *Christian Contours* guide the reader through developing, internalizing, and articulating a biblical worldview. This robust worldview enables the Christian to be a critically thinking participant in culture and to be a faithful disciple of Christ with both heart and mind.

Scripture and Counseling Bob Kellemen, 2014-10-07 What role does Scripture play in counseling? Today we face a weakening of confidence in the Bible. This is just as true for the pastor offering counsel in his office as it is for the person in the pew talking with a struggling friend. We need to regain our confidence in God's living Word as sufficient to address the real-life issues we face today. Scripture and Counseling will help you understand how the Bible equips us to grow in counseling competence as we use it to tackle the complex issues of life. Divided into two sections, Part One develops a robust biblical view of Scripture's sufficiency for life and godliness, leading to increased confidence in God's Word. Part Two teaches how to use Scripture in the counseling process. This section demonstrates how a firm grasp of the sufficiency of Scripture leads to increased competence in the ancient art of personally ministering God's Word to others. Part of the Biblical Counseling Coalition series, *Scripture and Counseling* brings you the wisdom of twenty ministry leaders who write so you can have confidence that God's Word is sufficient, necessary, and relevant to equip God's people to address the complex issues of life in a broken world. It blends theological wisdom with practical expertise and is accessible to pastors, church leaders, counseling practitioners, and students, equipping them to minister the truth and power of God's word in the context of biblical counseling, soul care, spiritual direction, pastoral care, and small group facilitation.
