Southwestern Shifters: Relentless Bailey Bradford,2010-09 Zane Mitchell is about to learn that you can't outrun your destiny especially not when that destiny is wrapped up in the form of one big sexy relentless shapeshifter Aidan Criswell Zane is the alpha of the Gila National Forest pack of shifters He's been forced to make some very bad choices like kicking out Mika Blackwell a gay shifter who was once Zane's friend The elders demanded it and Zane gave in to them rather than stand up to them When he and all other alphas of Southwestern packs are called to a mandatory meeting with the Dux Ducis Aidan Criswell the man in charge of all shifter packs in the Southwest U S something happens that sends Zane fleeing in panic He's found his mate the one person who can complete him and the one person Zane knows could never want him because of his past actions Aidan Criswell is as shocked to discover the man he'd been ordered to investigate a man who'd had a pack member banned for being gay is his mate But destined mates are always exactly perfectly matched and once Aidan accepts that fact he believes there is more to Zane's story than meets the eye and as Zane is soon to discover Aidan Criswell is one relentless son of a bitch

Relentless Bailey Bradford,2025-08-04 One regret One relentless mate Fate won't let him run forever Zane Mitchell has spent his life following the rules of his pack even when it meant turning his back on a friend As alpha of the Gila National Forest shifters he bowed to the elders demands banishing a packmate for being gay Now that choice haunts him When Zane is summoned to a mandatory meeting with the Dux Ducis the dominant leader of the Southwest packs his world shatters Aidan Criswell isn't just the most powerful alpha he's ever met He's also Zane's fated mate But destiny isn't always easy Aidan is shocked to discover his mate is the very man he's been ordered to investigate a leader who once cast out one of his own for simply being who he is Zane knows he doesn't deserve a mate like Aidan and running seems like the only option But Aidan isn't one to back down and he's ready to claim what fate has given him The past can't be rewritten but redemption is within reach if Zane is willing to fight for it Note This expanded edition of Relentless has been revised in first person present tense for a richer more immersive experience 5 STAR REVIEWS Relentless the second book in the Southwestern Shifters series packs a very hard punch in the best possible way while delivering a scorching romance I was enthralled from the beginning and loved reading the book Just as good as the first book The story continues and you feel like you are still reading the first book as the flow from first to second is flawless Can't wait for the third book to come out and it will be just as good Tropes in Relentless by Bailey Bradford 1 Fated Mates Zane and Aidan are supernaturally destined to be together whether they're ready for it or not 2 Reluctant Mates Zane believes Aidan could never want him because of his past while Aidan struggles to accept the mate fate has chosen for him 3 Enemies to Lovers Aidan initially sees Zane as a man unworthy of being his mate due to his past actions creating intense conflict before desire takes over 4 Second Chances Redemption Arc Zane deeply regrets his past choices and his relationship with Aidan forces him to confront his mistakes and fight for a better future 5 Power Imbalance Dominant Mate Aidan as the Dux Ducis

holds far more power than Zane creating a dynamic where Zane must reconcile his own authority as an alpha with the overwhelming dominance of his mate 6 Forced Proximity When Aidan refuses to let Zane run they re forced into close quarters making their attraction impossible to ignore 7 Hurt Comfort Zane carries deep emotional wounds from his past decisions and Aidan despite his initial anger becomes the one who helps him heal 8 Reclaiming Identity Zane struggles with guilt and self doubt but through Aidan and his mate bond he begins to reclaim his identity as a leader and as someone worthy of love 9 Pack Politics Intrigue As leaders in the shifter world both men must navigate power struggles pack traditions and external threats while figuring out their bond 10 Action Danger As high ranking shifters both Zane and Aidan face external threats pack politics and the danger that comes with their world 11 Protective Mate Aidan is fiercely protective of Zane determined to claim and defend him even when Zane himself doesn t believe he deserves it 12 Healing Through Love Their fated bond isn t just about attraction it s about redemption forgiveness and finding a love that makes them both whole
