Bullock* Fireside pictorial annual,1878 *The Riddle of Christian Mystical Experience* Paul Mommaers,2003 A distinctive feature of mystical experience is that it is imageless Mystics of various traditions witness indeed to their going beyond all intermediaries so as to enjoy immediate union Understandably the idea of imageless immediacy is attractive and it is especially in vogue with those who hope to discover that different religious spiritualities converge if only the particularity of say the Christian way would be left behind However a crucial question arises here If mystical union consists in simply transcending what is part and parcel of the human condition where is its relevance Is the mystic as such in a position to be his or her human self thinking and loving enjoying and suffering Can he or she be active in the world of humankind Obviously it is especially in the Christian tradition that this matter comes to the fore as a radical difficulty For here there is the divine Image and Mediator so much so that the Humanity of Jesus ought to be integral to a person s union with God Perhaps the Christian mystic is such an extraordinary figure that the Humanity and all

other images and intermediaries are for him or her at best a stepping stone that is bound to disappear The Riddle of Christian Mystical Experience aims to clarify this issue by analyzing the writings of such visionaries as Julian of Norwich Teresa of Avila and Maria Petyt of the ecstasy minded masters Richard of Saint Victor Bernard of Clairvaux and Bonaventure describing Francis of Assisi's experience of the cream of the Flemish mystics namely Hadewijch and Jan van Ruusbroec Nevertheless the preference for the mystical text does not prevent the Riddle from drawing on the insights of modern philosophers such as Jean Paul Sartre and Jean Luc Marion when treating of images and idols or Michael Polanyi and Ludwig Wittgenstein when reflecting on intermediaries The main result of this procedure may come as a surprise Far from turning into a detached creature who forgets about the Humanity and the human the full fledged mystic is as a Flemish mystic puts it wholly in God where he rests in enjoyment and wholly in himself where he loves with works Experiencing union with intermediary and without intermediary the true Christian mystic is unimaged as well as imaged upon the humanity of our Lord through heartfelt affection

The New-York Mirror George Pope Morris, 1836 **Varney the Vampyre** James Malcolm Rymer, Thomas Peckett Prest, 1972-01-01 A deathless creature with an insatiable appetite for blood Varney is the antihero of this epic which predates Dracula and establishes many of the conventions associated with vampirism Volume 1 of 2 **Bookseller Newsman Incorporated**, 1891 **Mark Lane Express**, 1918 *Brecht's Tradition* Max Spalter, 2019-12-01 Originally published in 1967 Literary scholars often acknowledge that Brecht borrowed from a variety of traditions including Goethe Schiller expressionists naturalists and realists all of whom affected his work However they tend not to address any single tradition as exclusively Brecht's From these various literary traditions Brecht borrowed formal elements only compared with other writers to whom he is indebted Brecht exceeds them in cynicism They do not convey anything like his pitiless debunking attitude his corrosive anti

romanticism his hardheaded refusal to idealize or glorify and his suspicion of all sentimentalities This book discusses what the author identifies as the Brechtian sensibility Chroniclers of drama have not totally ignored the Brechtian tradition but too often they are content to note merely that Brecht shared with some writers particularly Brecht and Wedekind a proclivity for open drama and episodes of racy realism tinged with poetic feeling Other critics have not closely studied the various plays of this tradition in order to show how they constitute a distinctive and well defined species of theater to which Brecht unmistakably belongs *Kate of Kate Hall* Ellen Thorneycroft Fowler, Alfred Laurence Felkin, 1904 **HENRY JAMES**
