Prairie River 1 A Journey Of Faith Volume 1:

Prairie River #1 Kristiana Gregory, 2015-01-26 Nessa can't remember a home other than the orphanage and now she has no choice but to leave. Her plan is to escape on the next stagecoach west one headed toward Prairie River, Kansas, a town in the middle of nowhere. When Nessa arrives at the small settlement, she has no money and nowhere to go. Worst of all, she is alone. The townspeople are suspicious of her. They see her as a newcomer with no family and no past. Nessa is about to learn that life on the prairie is hard. It's a trial of her strength and her faith as a Christian. **Prairie River #1: a Journey of Faith**

Kristiana Gregory, 2013-04-20 It is the spring of 1865 and the end of the Civil War is near. As the nation is struggling to come to peace with itself, all Vanessa Clemens can think about is her birthday. She has been dreading it for weeks for the day she turns fourteen, she must leave the orphanage that has been her home for a decade. The headmaster has made arrangements for Nessa. Either she can become a servant or marry the pastor, an older, dreary man. Those are her only options. Then on her birthday morning, Nessa hears cries flooding the sleepy Missouri town. President Lincoln has been assassinated. This national tragedy spurs her to flee on the first stagecoach heading West, determined not to be a servant or unloved wife.

Children's Books in Print, 2007, 2006 Hannah's Choice (Journey to Pleasant Prairie Book #1) Jan Drexler, 2016-01-12 Hannah Yoder loves her quiet life on the banks of the Conestoga Creek. In 1842, this corner of Lancaster County is settled and peaceful, yet problems lurk beneath the placid facade. Hannah's father worries about the spread of liberal ideas from their Mennonite and Brethren neighbors. And Hannah blames herself for a tragedy that struck their home nine years ago. She strives to be the one person who can bind the threads of her family together in spite of her mother's ongoing depression and her sister's rejection of their family. But her world is threatening to unravel. When two young men seek her hand in marriage, one offering the home she craves and the other promising the adventure of following God's call west, Hannah must make a choice. Faithfully perform her duties to her family. Or defy her father and abandon her community. With a tender hand, Jan Drexler teases out the threads of a romance that will captivate readers in this brand new Amish historical series. **Clifford**

Sifton, Volume 1 D.J. Hall, 2011-01-01 Clifford Sifton was at the centre of political controversies throughout his career. A study of his life and times focuses inevitably on major issues in Canadian history. Clifford Sifton: The Young Napoleon, the first of a two-volume biography, examines Sifton's early career, including his years in the Manitoba legislature up to the mid-point of his service in the federal cabinet. After Sifton's first election in the 1880s, his political rise was dramatic. As Manitoba's attorney general from 1891 to 1896, he fought to establish Manitoba's national schools system, one of the major issues of his career. Like many westerners, Sifton believed the social structure of central Canada should not be imposed on the West and recommended rejection of the bilingual cultural compact of Confederation. Prime Minister Wilfrid Laurier made Sifton Minister of the Interior in 1896, and his voice became one of the strongest in the cabinet. In addition to his aggressive efforts to settle the Prairies, he helped to shape tariff policy, administered the Yukon during the problematic gold rush days, and

became involved in policies related to the Indians the International Joint Commission and Imperial connections In the late 1890 s he secretly purchased the influential Manitoba Free Press and used it to circulate politically biased stories to other western Liberal newspapers This move damaged his reputation with many of his colleagues and with members of the public Often under attack Sifton was a born fighter who both generated and revelled in controversy a proclivity which earned him the nickname of the Young Napoleon *Bowker's Guide to Characters in Fiction* ,2003 [The West Virginia School Journal](#) ,1888

Popular Series Fiction for K-6 Readers Rebecca L. Thomas,Catherine Barr,2009 Indexes popular fiction series for K 6 readers with groupings based on thematics consistant setting or consistant characters Annotated entries are arranged alphabetically by series name and include author publisher date grade level genre and a list of individual titles in the series Volume is indexed by author title and subject genre and includes appendixes suggesting books for boys girls and reluctant ESL readers

The History of the Christian Church: Vol.1-8 Philip Schaff,2023-12-11 In The History of the Christian Church Vol 1 8 Philip Schaff meticulously chronicles the development of Christianity from its inception to the Reformation offering a comprehensive and analytical survey that spans eight volumes Schaff s erudite prose melds scholarly rigor with accessibility guided by a deep commitment to accuracy and objectivity as he weaves together historical events theological developments and cultural contexts that shaped the faith through the ages His work is framed within the broader narrative of Western civilization highlighting the interplay between religion and society while also addressing the varied expressions of Christian faith across denominations and regions Philip Schaff 1819 1893 was a prominent church historian of Swiss origin whose profound expertise in theology and history was shaped by his own experiences as a pastor and scholar His multifaceted background having participated in the founding of institutions such as the American Society of Church History equipped him with unique insights into both the secular and sacred dimensions of Christian history Schaff s commitment to ecumenism is evident as he sought to present an inclusive narrative that transcends denominational divides This monumental work is an indispensable resource for scholars students and lay readers interested in the evolution of Christianity Schaff s balanced approach makes the complex history accessible while his meticulous research offers a wealth of knowledge that enriches our understanding of the faith s impact through centuries For anyone seeking to grasp the intricate tapestry of Christian history Schaff s volumes stand as a beacon of enlightenment and scholarly authority In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing An Author Biography reveals milestones in the author s life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on
