Glocal Theological Education Bard Norheim, Shantelle Weber, 2024-06-14 This book presents a vision for Glocal
Theological Education an invitation to rethink and reshape theological training in times of crisis The aim is to train
theological judiciousness the ability to exercise sound judgment and practice discernment in the face of the different crises in the
world of today like the climate crisis the changed role of the church and the challenge of youth citizenship It explores what
has been learned from developing shared global learning within the framework of local learning communities in Norway
South Africa and beyond The book also discusses key practices such as the combination of coteaching online and learning in
local contexts and best practice research on other educational activities Contributors also reflect more theoretically on where
how and what we can learn from crisis and how these theoretical insights can help us shape theological leaders for the future
