Strategic Legal Writing Donald N. Zillman, Evan J. Roth, 2008-01-07 Many legal writing texts emphasize how one writes this book is unique because it also focuses on why one writes Every chapter challenges the reader to write to achieve a strategic objective Each assignment has been carefully considered by the authors and fully vetted to simulate the decision making involved in the preparation of important legal writing whether in a general counsel s office a law office a government attorney s office or a judge s chambers Simply put the authors approach is that effective legal writing does not exist in a vacuum This book provides practical assignments that teach the student that the best legal writing is not an end in itself but a means to a larger strategic objective

Business of the Heart John Corrigan, 2023-04-28 The Businessmen s Revival was a religious revival that unfolded in the wake of the 1857 market crash among white middle class Protestants Delving into the religious history of Boston in the 1850s John Corrigan gives an imaginative and wide ranging interpretive study of the revival s significance He uses it as a focal point for addressing a spectacular range of phenomena in American culture the ecclesiastical and business history of Boston gender roles and family life the history of the theater and public spectacle education boyculture and especially ideas about emotion during this period This vividly written narrative recovers the emotional experiences of individuals from a wide array of little used sources including diaries correspondence public records and other materials From these sources Corrigan discovers that for these Protestants the expression of emotion was a matter of transactions They saw emotion as a commodity and conceptualized relations between people and between individuals and God as transactions of emotion governed by contract Religion became a business relation with God with prayer as its legal tender Entering this relationship they were conducting the business of the heart This innovative study shows that the revival with its commodification of emotional experience became an occasion for white Protestants to underscore differences between themselves and others The display of emotion was a primary indicator of membership in the Protestant majority as much as language skin color or dress style As Corrigan unravels the significance of these culturally constructed standards for emotional life his book makes an important contribution to recent efforts to explore the links between religion and emotion and is an important new chapter in the history of religion The Businessmen s Revival was a religious revival that unfolded in the wake of the 1857 market crash among white middle class Protestants Delving into the religious history of Boston in the 1850s John Corrigan gives an imaginative and wide ranging in
