

Short Prayer for a Retreat

Holy Spirit, you are welcome in this space. Please help all who are gathered here today to be open to the movements of the Spirit.

Help this retreat to encourage a radical transformation in our hearts. We hope this retreat is a time of restoration, joy, and mercy.

May all who are gathered here lay all their burdens down at the door. May this (day/weekend) be a time to focus on how we can grow as disciples and bring your light to everyone we meet. Thank you for this retreat and those who have worked so hard to prepare a sacred experience.

In Your Name, we pray. Amen.

Prayer Before A Retreat:

Retreats For Spiritual Progress Zacharias Tanee Fomum, 2015-03-22 This book is both an awakening and a reviving manual with a series of suggested spiritual retreat programmes to guide the beginners The author Z T Fomum provides an answer to the many questions that Christians often ask themselves concerning either their own spiritual progress or the spiritual progress of other believers These questions can be summed up as follows 1 How do you overcome the tendency to activism which makes agitated believers unable to be calm before God in order to seek Him 2 How do you know God so that you can serve Him from deep knowledge 3 In a word how do you walk from one degree of progress to another in our generation The author invites us in response to these many questions to experience a life of spiritual retreats That life is a prelude to the great final retreat that the Lord will soon take with His church Therefore retreats are presented as a sign of love for the Lord and an activity in preparation for our final retreat with the Lord Retreats for spiritual progress are to be taken regularly as a way of life To resolve questions relating to the preparation and planning of a spiritual retreat the author suggests as a guide a series of retreat programmes ranging from 15 minutes to several hours and days In devising a format for several types of retreats the author effectively answers the question of what should be done step by step during a retreat You just need to choose the type of retreat you wish to take and just follow the instructions given in the book by the author This book is both an awakening and a reviving instrument
