

Prayer to the Holy Trinity

*Glory be to the Father,
Who by His almighty power and love created me,
making me in the image and likeness of God.*

*Glory be to the Son,
Who by His Precious Blood delivered me from hell,
and opened for me the gates of heaven.*

*Glory be to the Holy Spirit,
Who has sanctified me in the sacrament of Baptism,
and continues to sanctify me
by the graces I receive daily from His bounty.*

*Glory be to the Three adorable Persons of the Holy Trinity,
now and forever.*

Amen.

Altarpieces and Their Viewers in the Churches of Rome from Caravaggio to Guido Reni PamelaM.

Jones,2017-07-05 A social history of reception this study focuses on sacred art and Catholicism in Rome during the late sixteenth and seventeenth centuries The five altarpieces examined here were painted by artists who are admired today Caravaggio Guercino and Guido Reni and by the less renowned but once influential Tommaso Laureti and Andrea Commodi By shifting attention from artistic intentionality to reception Pamela Jones reintegrates these altarpieces into the urban fabric of early modern Rome allowing us to see the five paintings anew through the eyes of their original audiences both women and men rich and poor pious and impious Because Italian churchmen relied after the Council of Trent on public altarpieces more than any other type of contemporary painting in their attempts to reform and inspire Catholic society it is on altarpieces that Pamela Jones centers her inquiry Through detailed study of evidence in many genres including not only painting prints and art criticism but also cheap pamphlets drama sermons devotional tracts rules of religious orders pilgrimages rituals diaries and letters Jones shows how various beholders made meaning of the altarpieces in their aesthetic devotional social and charitable dimensions This study presents early modern Catholicism and its art in an entirely new light by addressing the responses of members of all social classes not just elites to art created for the public It also provides a more accurate view of the range of religious ideas that circulated in early modern Rome by bringing to bear both officially sanctioned religious art and literature and unauthorized but widely disseminated cheap pamphlets and prints that were published without the mandatory religious permission On this basis Jones helps to illuminate further the insurmountable problems churchmen faced when attempting to channel the power of sacred art to elicit orthodox responses **Schools of Faith**

Book of Common Prayer [...] According to the Use of the Church of England ,1715 The Eucharistic Liturgy

Jameson K. Pallikunnil, 2017-03-20 The Malankara Mar Thoma Syrian Church exists as a hybrid church by blending the Eastern liturgical elements of the Oriental Orthodox Church and the evangelical ideas of the Protestant Reformation of the sixteenth century This Church is a bridging church connecting Protestantism and Oriental Orthodoxy The reformation in the Malankara Church 1836 instigated a new impetus for this church in constructing an ecclesial identity and pattern of mission A major missiological imperative employed by CMS missionaries in India was solely centered on the scripture Against this popular understanding the Mar Thoma Church through its reformation process showed that liturgy can also be an imperative for mission The translation and revision of the Eucharistic liturgy is the basic visible expression of reformation in the Malankara Church Hence this book explicitly places how the Eucharistic liturgy of the Mar Thoma Church is observed as the foundation for mission in its course of growth In order to accomplish this objective the writer has examined the historical evolution and the developmental process of the Eucharistic liturgy of the church which is a revised version of the liturgy of St James In a nutshell this study is an appraisal of various missiological themes reflected in the Eucharistic liturgy of the church This study throws ample light on how the Mar Thoma Church integrated liturgy and evangelism in its course of development The writer systematically illustrates how the church made a serious effort to bring missional themes employed in the liturgy into the practical realm by its ancillary organizations convention gatherings and sociocharitable works This volume asserts that an emphasis on Eucharist centred ecclesiology guides and motivates the church to enliven a mission oriented life which is crucial for accomplishing a relevant mission
