

Prayer Walk Guide

1. **Find a location:** Choose a place to walk that is safe and comfortable for you. This could be a park, a neighborhood, a trail, or any outdoor space that feels appropriate.
2. **Set an intention:** Before you begin walking, take a moment to set an intention for your prayer walk. This could be a specific issue or concern you want to pray for, or a general desire to connect more deeply with God and the world around you.
3. **Start walking:** Begin walking at a slow, comfortable pace. Take deep breaths and try to relax any tension in your body.
4. **Observe your surroundings:** As you walk, take notice of your surroundings. Look for areas that seem in need of prayer, or that inspire feelings of gratitude and joy.
5. **Pray as you walk:** As you continue walking, begin to pray out loud or silently. You can pray for the needs of yourself, your loved ones, your community, or the world at large. You can also simply offer prayers of gratitude or praise.
6. **Listen for guidance:** As you pray, try to be open and receptive to any insights or guidance that come to you. Listen for God's voice and trust that He will lead you in the right direction.
7. **Be present:** As you walk, try to stay present in the moment. Don't worry about the future or dwell on the past. Instead, focus on the beauty and wonder of the present moment.
8. **Close with gratitude:** When you are finished with your walk, take a few moments to express gratitude for the experience. Thank God for His presence, His guidance, and His blessings.

A Christian Guide to Spirituality
Stephen W. Hiemstra, 2017-12-16 Spirituality is lived belief When we pray worship or reach out to our neighbors we live out our beliefs Our beliefs structure our spirituality like skin stretched over the bones of our bodies These beliefs start with faith in God the Father through Jesus Christ as revealed through the Holy Spirit in scripture in the church and in daily life Our Trinitarian theology orders our beliefs Without a coherent theology we lose our identity in space and time having no map or compass to guide us on our way In the end we focus on ourselves not God Christian spirituality starts with God not with us A Christian Guide to Spirituality takes the form of 50 daily devotions Each topic is treated with a scriptural reference reflection prayer and questions for discussion Occasionally references are provided for further study The first four chapters Introduction Apostle s Creed Lord s Prayer and Ten Commandments cover 40 days making them suitable as a Lenten study Ten additional days focus on the spiritual disciplines and a short conclusion Reading A Christian Guide to Spirituality will help readers understand Christian spirituality better and nurture their faith There is no such thing as quality time with the Lord there is only time The living God speaks to us in many ways but especially through scripture These three sources cited Apostle s Creed Lord s Prayer and Ten Commandments are commonly called the rule of faith regula fidei and were utilized for nearly two millennia as a means to apprentice the faith These sources are the heart of the confessions of most Christian faith communities and denominations Hear the words walk the steps experience the joy Author Stephen W Hiemstra MDiv PhD is a slave of Christ husband father tentmaker economist and writer He lives with Maryam his wife of 30 years in Centreville VA and they have three grown children The foreword is written by Neal D Presa This book might be classified appropriately in spirituality Christian living devotion faith religion and theology
