### *Examples of Prayers of the People*

*These examples are additional to those provided in the Prayer Book. These are also provided in the hope that prayer leaders will be encouraged to produce their own.*

#### Examples of bidding forms of the Prayers of the People

*Particular concerns might be inserted after each bidding. During the silence after each bidding, the people pray either silently or aloud.*

#### Bidding Form 1

We pray for the church, for all Christians everywhere, for *N* our bishop, for *N* our Vicar, and for all in our parish.

*(all pause for silent prayer)*

Gracious God, may your Spirit give strength to all your people as they work and witness in your world. Unite us in your truth and love, and help us to show your love to others. (Especially we pray for...)

God of love  
**grant our prayer.**

We pray for all people, for places where there is war or famine.

*(all pause for silent prayer)*

## Prayers Of The People Examples:

Shaping the Prayers of the People Samuel Wells, Abigail Kocher, 2014-06-16 This book offers a model of profound and accessible congregational prayer. At once inspirational and practical, it will empower and equip laypeople and clergy alike to offer heartfelt informed and appropriate prayers on behalf of the people of God. As Samuel Wells and Abigail Kocher say, "Interceding in public worship is a duty." This book is intended to make it a joy. *Shaping the Prayers of the People* begins by considering what public prayer is and offering practical guidelines for avoiding common pitfalls. It explores prayer as an integral part of worship and discusses the language we need and don't need to address God. Significantly, the book also provides an array of example prayers along with commentary. 70 Prayer Starters for Children Patricia Mathson, 2011 The author presents here seventy engaging and creative prayer experiences for children ages 5-10 that invite them to make prayer a part of their daily lives. It helps catechists pray with children in ways that speak to their lives and interests, including talking to God in their own words, expressing praise to God through artwork, praying with scripture, remembering to pray for the needs of others, and much more. *Prayers, People and Places* Kathryn Kurth Scudder, 2016-04-07 Kathryn Kurth Scudder has authored *Everyday Prayers and More* and *Prayer Thoughts for Every Day*. These books were published in 2014 and 2015. If you are looking for prayers that are original and not too complex, you should find these books helpful. In addition to Bible verses and prayers, this book *Prayers, People and Places* includes stories written by Kathryn and some of her friends. A special section is devoted to Kathryn's late friend and former coworker Rosemarie Tyler, who authored a number of prayers and devotional materials in her lifetime. **Celebrating the Lectionary for Junior High 2012-2013: Supplemental Lectionary-Based Resource**, **The People's Faith in the Time of Wyclif** Bernard Lord Manning, 1919 **Epistles from Perpetua** Catherine Halsall, 2025-08-08 Who doesn't sometimes encounter problems in their prayer life? Who doesn't find it difficult to set aside time to pray regularly? Who has difficulty finding the right words to express their needs? How can our God answer so many prayers from Christians all over the world reaching out continuously over time? Epistles from Perpetua attempt to answer some of these queries using examples of people throughout history who have wrestled with their close communication with a heavenly Father. Praise and gratitude will bring all to the foot of the Cross to seek and find the healing gifts of comfort, consolation, and compassion. *If Only You Would Ask* Ronnie W. Rogers, 2022-04-28 We can know that if we pray, some outcomes will be different than if we do not pray, because God made many promises conditioned on whether we ask. These promises relate to a galaxy of concerns and needs that are important to us and God, such as faithfully serving God and experiencing his blessings in our life, health, marriage, children, family, and job. If we fail to pray about everything as the Scripture commands (Phil 4:6), we will enter heaven and learn there were many things God would have done in and through us if only we'd asked. Sadly, Calvinism's determinism has turned these wonderful promises into nothing more than a promise that God will do what he predetermined to do regardless of whether we pray or not. Do not allow

Calvinism's deterministic beliefs and distortions of Scripture to rob you of this blessed intimate prayer relationship with God

Geoffrey Harper, Kit Barker, 2017-03-31 The brokenness of this

world inevitably invades our lives But how do you maintain faith when overwhelmed by grief When prayer goes unanswered When all you have are questions not answers What do you say to God when you know he is in control but the suffering continues unabated Is there any alternative to remaining speechless in the midst of pain and heartbreak This book is about finding words to use when life is hard These words are not new They are modes of expression that the church has drawn on in times of grief throughout most of its history Yet the church in the West has largely abandoned these words the psalms of lament The result is that believers often struggle to know what to do or say when faced with distress anxiety and loss Whether you are in Christian leadership training for ministry or simply struggling to reconcile experience with biblical convictions Finding Lost Words will help you consider how these ancient words can become your own Prayer, Middle Knowledge, and Divine-Human Interaction Kyle D. DiRoberts, 2018-07-27 Christians generally believe that in prayer they are free in their act to petition God Christians also believe that they pray to a God that is sovereign and omniscient Kyle DiRoberts maintains that explanation as to how one affirms these two truths is dependent upon one's account of divine providence which determines how motivated the person is to offer petitionary prayer in the divine human relationship The theories of providence and their understanding of petitionary prayer discussed in this book include compatibilism hard determinism open theism and middle knowledge Each of the theories of divine providence discussed in this book share a desire to construct a view concerning petitionary prayer that would propel the Christian toward God in relationship and then lead the body of Christ to pray without ceasing DiRoberts argues that middle knowledge is the preferred theory of providence as it relates to petitionary prayer because for middle knowledge God's sovereignty includes both his omniscience and libertarian human freedom A Sense of Belonging Hilton Scott, 2022-03-08 This book takes an interdisciplinary approach to a societal challenge that both affects and is affected by the church in multi racial multi cultural and otherwise pluralistic communities In certain contexts around the world there are pertinent examples of the struggles that come with learning to live together in the midst of diversity and plurality such as the post apartheid Republic of South Africa However these more often than not racial and cultural struggles could be eased by developing worship services that are more relevant and inclusive This in turn should instill a sense of belief and a way of inclusive thinking culminating in more inclusive living The approach developed in this book stems from the aphorism *lex orandi lex credendi lex con vivendi* or as we pray so we believe so we live together **Anglican Cathedrals in Modern Life** Leslie J Francis, 2015-09-30 In the past decade cathedrals have blossomed as signs of growth for the Anglican Church in England and Wales They have opened their doors to growing congregations to widening participation at the major Christian festivals and to visitors pilgrims and tourists on a changing quest for religious experience and for spiritual fulfilment In this thought provoking volume Leslie J Francis research group presents ten focused empirical studies that illuminate what is really going on in these cathedrals Rural Life and Rural Church Leslie J. Francis, Mandy Robbins, 2014-10-20 The essays brought together here present a broad assessment of the

serious issues facing rural life and the rural church today The authors are drawn from the Anglican Baptist Methodist and Pentecostal Churches The essays explore a wide range of biblical theological sociological and historical concerns and topics Throughout the book is informed by a spirit of listening to church goers clergy church leaders and local communities Rural Life and Rural Church provides an invaluable resource for clergy and lay Christians involved in rural ministry initial and continuing ministerial education and Christian men and women living in the countryside

**Pursue Godliness** Steve Hankins, 2021-11-19 In his first letter to Timothy the pastor of the church at Ephesus and his protégé in Christian life and ministry the Apostle Paul exhorted him Discipline yourself for the purpose of godliness 1 Tim 4 7 Just two chapters later the Apostle returned to this idea encouraging Timothy to flee all sin and to pursue godliness 1 Tim 6 11 Godliness is a recurring theme in Paul's epistle urged especially upon men training to become leaders of the church as pastors and evangelists But the pursuit of godliness is also commanded of all others who hunger and thirst to follow Jesus as His disciple Attaining godliness looms large in the New Testament as the primary outworking of the greatest command in the Word of God spoken by Christ himself You shall love the Lord your God with all your heart and with all your soul and with all your mind Matt 22 37 In Pursue Godliness A Servant's First Priority the author seeks to answer the question What does the Bible teach about how a Christian can make major strides forward in his growth in godliness Letting Scripture speak for itself through over 1 450 passages the meaning priorities primary qualities and practices for significant progress in godliness are unfolded in this comprehensive introduction to the subject While a detailed in depth treatment of this Scriptural topic it is written in clear easy to understand language not requiring a theologian's training or vocabulary to understand Read and grow This is a book written for your transformation for His glory
