Praying For A Better Day:

Better Days & Better Ways Terri Grant, 2019-09-27 This book was written to inspire and uplift others who may face many struggle issues or situations and those who can't find the right words to encourage themselves or pick themselves back up after a certain level of painful experiences through their lifelong journey **Str8ight from the Heart** Keith Brockman, 2018-09-18 This book was created with the intention of sharing my personal experiences and life lessons that each and every one of us goes through daily Accept my creativity with an open mind and heart and I promise you will not be disappointed East St Louis IL I hope I make you proud **Better Days** Preston J. Kerr, 2009-04-17 If you could know how your life would turn out ten years before it happened would you still do everything the same Would it change the way you lived your life Would you make the same choices Would you have the same friends date the same people live the same life Would the life you lead be a reflection of your desires Of who you want to be Would the person you are now be the same person you are then What would you change What would be important to you What would people say your life was productive or incomplete Brady McEwing is the dependable one The shoulder his friends lean on the one they go to when things are bad However over the course of 10 years Brady comes to find that he is no longer the source for their comfort for their joy His search for his own happiness in his life leads him down paths of disappointment and unhappiness What will it take to bring him the joy that he is missing Where will Brady find the ultimate source for his joy and see Better Days **Fifty-Three Days of Silence** Nancy Wilcox, 2007-10 Wilcox offers a compilation of e mails written to her family friends and prayer warriors of her church so they would know how to pray for healing revival renewal and love Social Issues "Sweet and Sassy" Praying with Purpose Meredith Barron, 2020-02-28 The road I traveled wasn't always paved so I kicked up a lot of dust for a lot of years I live in a small community and everybody pretty much knew everybody else's business not that I was trying to keep it a secret Don't misunderstand me It's not that I was proud of what I was doing I was just determined Everything changed for me in 2012 I had an encounter with Jesus and I haven't been the same since I got clean and began to live for the Lord In that same year I began to post a prayer for the day and a coinciding thought for the day on social media The response took me by surprise I was saying things others wanted to hear but didn't for fear of being judged Being judged was nothing new to me and I'm sure not afraid to talk about what no one else will but today I choose to talk about the goodness and mercy of Jesus Christ Each prayer written came from a heart sincere and at times are very personal I pray you find strength in my words God bless **Carly_bugg03** Scott Kilander, 2007 Carly_Bugg03 is the inspiring story of a teenager whose life was shortened by cancer Developed from entries in a CaringBridge website it details the experiences of Carly her family and friends in a most honest and enlightening manner It is a story that will positively impact every reader Back cover Visions Beyond My Eyes Oscar Kamazima, 2015-12-27 In Oscar Kamazimas Visions beyond My Eyes poems of life love and faith come together in forms of creatively placed words to create vivid stories that captivate the reader This collection of poems encapsulates life

changing events and visions that are hard to understand or move past due to the many obstacles of life One thing that is highlighted frequently is the word hope and how there is still hope and love within this world even in the midst of the chaos around us Each individual poem should remind us of a part of reality especially the events and thoughts that we consistently overlook Not only does it draw our attention to the everyday moments in life but it reminds us to continue to dream

The Good News of Our Limits Sean McGeever, 2022-02-08 Become More Effective by Embracing Your Inability Many of us are tired stressed and overworked We think that following God will bring peace but instead find ourselves anxious We expect a life of joy but end up feeling stressed living under the heavy load of new expectations It s a spiritual and emotional rollercoaster We search for solutions using optimization techniques attempting to fit more and more into our already full days We try to craft efficiently maximized lives but these methods always fail not because they are ill intentioned but because they do not go far enough They fail to understand how God made us as people with inherent limitations and they fail to accept that as good In The Good News of Our Limits professor and longtime ministry leader Sean McGeever reveals the wonderful news that we cannot do be or know all of the things that others expect of us and that we often expect from ourselves Nor should we As it turns out these expectations are not God s expectations The freeing truth is that God created us with limitations and he did it for a reason God is the only all powerful all present and all knowing person and we are not We can only know and do some things and we can only be in one place at a time And that is enough Accepting this truth frees us to find greater peace and joy and somewhat surprisingly greater effectiveness in life The Good News of Our Limits helps readers answer questions like What are our God given human limits How do I find peace when I can t control the circumstances tragedies and difficulties that surround my life How do I choose what is best when my time focus and abilities are limited How many people can I realistically know personally What can I do to deepen key relationships when I feel relationally maxed out How do I navigate all the information that comes my way each day Through personal stories and fascinating cultural insights The Good News of Our Limits calls readers to embrace the blessedness of their limitations and adopt a few key practices to better balance their lives Biblical and practical it points to a better way forward for us all
