**Risk** General Stanley McChrystal, Anna Butrico, 2021-10-05 From the bestselling author of Team of Teams and My Share of the Task an entirely new way to

understand risk and master the unknown Retired four star general Stan McChrystal has lived a life associated with the deadly risks of combat From his first day at West Point to his years in Afghanistan to his efforts helping business leaders navigate a global pandemic McChrystal has seen how individuals and organizations fail to mitigate risk Why Because they focus on the probability of something happening instead of the interface by which it can be managed In Risk General McChrystal offers a battle tested system for detecting and responding to risk Instead of defining risk as a force to predict McChrystal and coauthor Anna Butrico show that there are in fact ten dimensions of control we can adjust at any given time Drawing on examples ranging from military history to the business world and offering practical exercises to improve preparedness McChrystal illustrates how these ten factors are always in effect and how by considering them individuals and organizations can exert mastery over every conceivable sort of risk that they might face We may not be able to see the future but with McChrystal s hard won guidance we can improve our resistance and build a strong defense against what we know and what we don t

*The Organizational Resilience Handbook* Graham Bell, 2020-08-13 For businesses to grow and be successful their approach to resilience must be defined by a holistic and risk focused outlook rather than one which is narrow and dominated by event oriented continuity practices The Organizational Resilience Handbook shows that success is as much to do with innovation and the speed with which new products are brought to market as it is with organizations having to deal with unexpected crisis situations It comprehensively covers the full breadth and depth of the field and introduces related topics such as security safety e commerce emerging technologies and customer experience Through adopting a strategic and progressive approach

practitioners can apply the book's methodology to develop an in depth understanding of resilience within their own organization and use it to effectively engage with the board and senior management in developing strategies for achieving greater resilience capability. A range of high profile case studies such as Mercedes, the UK's National Health Service, Alibaba and BP help to illustrate the concept of resilience by detailing characteristics and behaviours which confirm its meaning. The Organizational Resilience Handbook is a practical guide to self assessment, benchmarking performance and implementing resilience frameworks in any organization.
