Fitness for Life is a comprehensive program promoting lifetime health-related fitness.

*Dynamic Physical Education for Secondary School Students*  
Timothy A. Brusseau, Heather Erwin, Paul W. Darst, Robert P. Pangrazi, 2020-07-27

Dynamic Physical Education for Secondary School Students (DPE) has been the go-to textbook for preparing future secondary physical educators for more than 30 years. Now in its ninth edition, this trusted resource has been thoroughly updated to maintain its high quality and continue to meet the needs of preservice and in-service teachers in developing curricula that meet SHAPE America physical education standards and grade-level outcomes. DPE offers the best of both worlds in depth explorations of critical concepts to provide readers the foundational knowledge they need to teach quality physical education combined with a host of ready-to-use activities. The result is a resource that will help preservice physical educators feel confident in the class setting from day one.

Doctors Timothy Brusseau and Heather Erwin, coauthors for the previous edition, have taken the helm as lead authors this time. Improvements to this new edition include the following:

- Reorganized chapters that provide a clear, comprehensive description of effective secondary physical education.
- New chapters on supporting and advocating for physical education, including budgeting, fundraising, facilities and equipment, communicating with stakeholders, professional development, and more.
- On developing a comprehensive school physical activity program (CSPAP).
- Updated chapters on assessment and teaching students with disabilities.

The Dynamic PE ASAP website, which gives teachers access to examples of ready-to-use activities and complete lesson plans, as well as the ability to build their own lesson plans from the provided activities, DPE will help current and future educators learn how to promote physical activity throughout the school day and beyond, and they will
