internship turns lethal When a random homeless man gives Jodi a mysterious note her first reporting assignment explodes into an expose worthy of the front page His letter exposes a local doctor as a complete fraud and his clinic as a deadly factory Across town Jodi s friend Stan Taylor deals with the horrific consequences of his actions and makes a startling discovery His tragedy holds the key to Jodi s investigation Together they devise a daring plan to get to the truth But Jodi s reporting reveals information her boss doesn t want to hear much less publish Can Jodi find and report the truth before anyone else dies Don t miss The Mind Siege Project Book 1 All The Rave Book 2 and The Last Dance Book 3      **Getting Rich Your Own Way** Brian Tracy,2004-10-08 Save yourself ten years of hard work Read Brian s powerful book and let him show you the shortcut to success He ll show you the fastest way for you to get rich Robert Allen bestselling author Multiple Streams of Income Millions of people start with nothing and become wealthy as the result of doing certain things in a certain way over and over again This book by Brian Tracy shows you how you can achieve all your financial goals starting from wherever you are today Jack Canfield coauthor Chicken Soup for the Soul r series and The Success Principles This is the only book you need to read to become wealthy It is loaded with practical ideas and strategies to propel you onwards and upwards Nido Qubein Chairman Great Harvest Bread Company and founder National Speakers Association Foundation Another great book from Brian Tracy Tangible practical ideas that will make you money and make you rich Bill Bachrach President Bachrach Associates Inc Brian Tracy has put together a masterpiece of common sense for getting rich If you wish a different life commit now to different actions read this book H J Jim Graham President and CEO Cyber Broadcast One Inc Brian Tracy shows you how unlimited wealth starts in the mind and how anyone can focus their time and energy to earn millions It s the readable riveting primer for countless new American fortunes Peter Montoya CEO Peter Montoya Inc      **Manner of Death** Robin Cook,2023-12-05 In the new fast paced medical thriller from bestselling author Robin Cook fan favorites Jack and Laurie are inadvertently drawn into a dangerous vortex of a series of homicides that have been cleverly staged as suicides After Dr Jack Stapleton s near death confrontation with a medical serial killer his wife NYC Chief Medical Examiner Laurie Montgomery is carrying the load both at work and at home When Laurie insists that Dr Ryan Sullivan an underperforming senior pathology resident who is spending his required month at the medical examiner s office but who truly detests doing forensic autopsies assist her on a suicide autopsy in hopes of stimulating his interest in the field the last thing she expects is to be unwittingly drawn into a major conspiracy that puts her own life in jeopardy Desperate to avoid performing as many forensic autopsies as possible Dr Ryan Sullivan offers to participate in a research project on a series of suicides put together by one of the medical legal investigators These suicides like the case Ryan analyzes with Laurie hint at some bothersome questions about their manner of death Although the project was more of a ruse than a serious study Ryan surprises himself by immediately uncovering unexpected shared commonalities Most astonishing of all Ryan s inquiries eventually put him and Laurie at risk by leading to a nefarious cancer diagnostics company that promotes the very latest groundbreaking cancer screening technology in a

shockingly self serving and fraudulent fashion      **Tradition, Literature and Politics in East-Central Europe** Carl Tighe, 2020-12-30 Milan Kundera warned that in the states of East Central Europe attitudes to the west and the idea of Europe were complex and could even be hostile But few could have imagined how the collapse of communism and membership of the EU would confront these countries with a life that was suddenly and disconcertingly modern and which challenged sustaining traditions in literature culture politics and established views on identity Since the countries of East Central Europe joined the European Union in 2004 the politicians and oppositionists of the centre left who once led the charge against communism have often been forced to give way to right wing authoritarian populist governments These governments while keen to accept EU finance have been determined to present themselves as protecting their traditional ethno national inheritance resisting foreign interference stemming the gay invasion halting Islamic replacement and reversing women s rights They have blamed Communists liberals foreigners Jews and Gypsies revised abortion laws tampered with their constitutions to control the Justice system and taken over the media to an astonishing degree By 2019 amid calls for the suspension of their voting rights both Poland and Hungary had been taken to the European Court of Justice and the European Parliament and had begun to explore ways to put conditions on future EU funding This book focuses on the interface between tradition literature and politics in east central Europe focusing mainly on Poland but also Hungary and the Czech Republic It explores literary tradition and the role of writers to ask why these left liberals who were once ubiquitous in the struggles with communism are now marginalised often reviled and almost entirely absent from political debate It asks in what ways the advent of capitalism normalised literature and what the consequences might be It asks whether the rise of chauvinism is normal in this part of the world and whether the literary traditions that helped sustain independent political thought through the communist years now instead of supporting literature feed nationalist opinion and negative attitudes to the idea of Europe      *Medical Tourism* John Connell, 2011 Medical Tourism John Connell Although it may seem a recent phenomenon tourism has long been associated with improved health resulting in a boom of spas yoga and rejuvenation treatments Medical tourism is a more recent example of niche tourism with increasing numbers of people travelling abroad in search of cosmetic enhancement and solutions to various serious medical conditions often through surgery This book looks at the background and rise of both health and medical tourism alongside its global expansion and growing complexity and examines how medical tourism benefits but also challenges local healthcare providers and contributes to regional economies and the tourism industry It offers a unique overview of an emerging component of the tourist industry that is a distinct and controversial element of health provision The book also provides insights into current topics such as global health and ethics making this an essential resource for researchers and students of medical tourism and healthcare      Exemplar Series:
