Swann, 2017-07-07 The creation of humankind in the Image of God is perhaps the most foundational tenet of theological anthropology yet it is rarely understood in the fullness of what it represents Too often focus is placed on the divine image as a condition A study of the Scriptures suggests that it is better understood not as a condition but rather as a commission of

humanity to a role specifically a priestly role This book delves into the recognition that the Image of God is nothing less than a divine commission over all of humanity to serve as priests within the temple of creation It examines not only the creation of humankind as a priesthood in the opening chapters of Genesis but also the echoes of this anthropological interpretation throughout the Scriptures and the resulting ramifications for future biblical and theological studies **Paul and the Miraculous** Graham H. Twelftree,2013-09-15 How can we explain the difference between the miraculous Christianity expressed in the Gospels and the nearly miracle free Christianity of Paul In this historically informed study senior New Testament scholar Graham Twelftree challenges the view that Paul was primarily a thinker and reimagines him as an apostle of Jesus for whom the miraculous was of profound importance Highlighting often overlooked material in Paul's letters Twelftree offers a fresh consideration of what the life and work of Paul might teach us about miracles in early Christianity and sheds light on how early Christians lived out their faith From Paul to Valentinus Peter Lampe,2003 In this pathbreaking study of the rise and shape of the earliest churches in Rome Lampe integrates history archaeology theology and social analysis He also takes a close look at inscriptional evidence to complement the reading of the great literary texts from Paul's Letter to the Romans to the writings of Clement of Rome Justin Martyr Montanus and Valentinus Thoroughly reworked and updated by the author for this English language edition this study is a groundbreaking work broad in scope and closely detailed Lampe deals with the shape of leadership and the Christians relation to the Judeans living in Rome In six parts comprised of fifty one chapters and four appendices Lampe greatly advances our knowledge of the shape of leadership and the Christians relation to the Judeans living in Rome **NKJV, Word Study Reference Bible** Thomas Nelson,2023-01-17 Dig deeper into your Bible study Bring the words of Scripture to life and discover the richness and significance of the original languages of the Word of God The NKJV Word Study Reference Bible includes in text subheadings and 2 000 easy to use word studies with select Hebrew Aramaic and Greek words explained in every chapter from Genesis to Revelation By looking into these ancient texts we are able to read scripture as it was originally written and passed on from generation to generation In addition this Bible's Topic by Topic studies give a practical framework for understanding scripture along with more helpful resources Features include Book introductions 2 000 word studies illuminating the biblical language 21 chain linked topical studies Study the Book provides helpful notes for reading each book of the Bible Word study indices by Strong's number by English word and by book Extensive cross references drawing connections between texts Concordance Words of Christ in red Clear and readable NKJV Comfort Print All Citizens of Christ: A Cosmopolitan Reading of Unity and Diversity in Paul's Letters Jeehei Park,2022-10-10 In this work Jeehei Park proposes Greek and Roman cosmopolitanism as a constructive category through which to navigate a reading of human diversity and communal unity in Paul's letters Park takes a thorough look at the cosmopolitan ideas of Diogenes of Sinope Philo Plutarch Epictetus and Marcus Aurelius to establish Paul as an interlocutor who critically participated in the discourse of cosmopolitanism Park characterizes Paul's understanding of unity

with the distinctive phrase heterogeneous unity in which human differences are respected and embraced rather than being universalized or homogenized This book offers a novel analysis of Paul s rhetoric about citizenship in Philippians and its adoption of Greek and Roman cosmopolitanism as an interpretive contour *Fresh Perspectives: Commercial Law 2* ,2007
