## **No Brainer Guide To The Bible:**

*No-Brainer's Guide to the Bible* James S. Bell, James T. Dyet, 2001 A user friendly quick moving tour of Scripture It covers the entire Bible giving a brief overview of all the major events and topics     The No Brainer Guide to the Gospel Tom Mac Guinness, 2022-06-22 In this day and age when men claim to have discovered the structure of the atom and the origin of the universe why can't someone explain in plain English what Jesus really said just trying to simplify This book is just that It is not intended to change or convert you It is simply written to explain in a simple way what the Bible really says What it means for you The first book by Tom Mac Guinness to share his experience of life and spiritual development with the purpose of opening the way to others to connect personally with God A personal path towards a life of growth well being joy and peace including in the realm of business This is not a new philosophy or religion he just wants to reveal to others something that has transformed him and served him to feel comfortable in every facet of this life Tom Mac Guinness A Life Experience This is not about me but about you This is my way of sharing with the world what has been given to me The engine that has made me travel my path and get to where I am today Regardless of your beliefs ideas knowledge education My books seek to be a simple guide through which to ask you questions that help you be happier in all areas of your life including business If you are not a Christian this book is for you If you are a Christian this book is for you But if you are an entrepreneur this book is definitely for you Tom Mac Guinness is a successful entrepreneur born in Ireland At the age of 20 he had a profound spiritual experience which changed his life and he spent the 8 years as a missionary mainly in South America On his return to Ireland in 1979 he took over the management of the family equestrian center The limitations of the business soon became apparent and in 1985 he founded Horsecare Products to develop and manufacture blankets for horses Since then Horsecare has grown to become the undisputed global leader in its market segment with over 700 employees worldwide and has production facilities in Ireland Cambodia China and the USA producing over one million blankets each year Over the years Horsecare and Tom have won numerous awards for business innovation and product excellence including 35 BETA Innovation Awards for new product development In 2002 he was awarded The Ernst and Young Irish Industrial Entrepreneur of the Year He has also taken the time to write 4 books The No Brainer Guide to the Gospel The No Brainer Guide to the End of the World as we know it The No Brainer Guide to Happiness The No Brainer Guide to business In 2021 he sold a majority stake in Horsecare Products Tom participates in many projects but his focus now is to share the many lessons he has learned through the promotion of his books     No-Brainer's Guide to Jesus James S. Bell, Jr., Stan Campbell, 2001 These first two books in the ongoing No Brainer series present important information in a fun graphics rich format These books ease seekers and new Christians into studying the Bible and learning about Jesus in a nonthreatening way No theology degree is needed The style is youthful and energetic but not childish     *Guide to the Bible* James S. Bell, 2011 A comprehensive guide to the essentials of the Bible in plain language Chapters include Overviews of Books of the Bible Key Bible Characters How the Bible Was

Written Bible Times and Places Handy Tools for Bible Study an overview of Bible study basics plus a 365 day Bible reading program     **No-Brainer's Guide to What Christians Believe** James S. Bell, Jr., James S. Bell, Stan Campbell, 2002 For Christians who want to understand more about their faith this is a useful introduction that is also a helpful Christian doctrine for newcomers     **Sandpebbles** Patricia Hickman, 2002-04-05 The tale of a broken heart's awakening to hope A moving richly told story set in a small fishing village in coastal North Carolina Patricia Hickman's novel portrays a witty recently widowed heroine who must learn to let go of the past and discover God's surprising renewing provision for her future

Guide to What Christians Believe James S. Bell, 2011 There are hundreds of variations within Christianity and this guide will help you untangle the differences to find the basic beliefs that most Christians share Overviews of doctrine church history and church and culture are included to help explain how and why Christians differ on a variety of beliefs     *The Doctrine of Salvation; A Beginner's Guide to Understanding Biblical Theology: What Does Biblical Salvation Really Mean* Michael Southard, 2017-01-25 Have you ever just wanted to sit down and read something about God or Jesus just to get closer to him to know him more intimately or to expand your understanding of his creation and plan for you So you find a book that advertises just the subject matter you are interested in then you open it and begin to read but before long you realize you have to run and get the dictionary Then you may have to purchase a dictionary of theology then maybe an encyclopedia of Christian apologetics just to understand what you are reading When this happens readers often give up on the book and never finish it and may never buy another one It can get discouraging when confronted with terminology like infralapsarianism hamartiology and demythologization and that doesn't include the hundreds of nontheological words rarely used in common communication today Authors write this way to keep the book from becoming the size of an encyclopedia However I did buy all those books and persevered in study because of my great hunger for the deeper things of God Now you can too because this book conveys these wonderful biblical thoughts and great theologians' writings into plain common language The Doctrine of Salvation takes deep theological concepts and brings their understanding down to a street level as it were This book describes on a practical level how these doctrines are to be applied to our lives and how we can relate them to others I refrain from using thirteen letter words but if they are needed I will use them and then immediately clarify their meaning so the reader will not lose their train of thought Enjoy reading about the wonders of God again in greater depth
