

## Why Personal Responsibility Is Important for Life Success

According to the Merriam-Webster Dictionary personal means relating to the person or body and responsibility means the quality or state of being responsible such as a moral, legal, or mental accountability. Fritz Perls, the father of gestalt therapy, said that, "responsibility meant that we all have the ability to personally respond – "response-ability". Perls also referred responsibility to the ability to move, feel, live, and change you. So, to my understanding, personal responsibility is one's ability to care for what has been entrusted to them.

It is when an individual accepts the outcome of whatever actions or decisions he/or she makes, instead of blaming other people for what did not turn out right. Personal Responsibility is important to me because it is something that I am supposed to have as a child of the Most High God. In this essay, it is my goal to define what personal responsibility is and what it means to me, explain the relationship between personal responsibility and college success, and give an example of how I plan to practice personal responsibility in my education. Personal Responsibility in everyday life.

What do you think of when you hear these words? For me it means putting God first in all that I do and trusting Him to keep all of His promises to me. Scripture tells us that it we are to accept personal responsibility for ourselves (Galatians, 6:5) and our own actions (2 Corinthians 5:10), for widows and orphans, (James 1:27) for our relatives (1 Timothy 5:8), and for those in need (Deuteronomy 15: 7-11). I have learned to accept personal responsibility more so when I am wrong than when I am right. Why? Because it teaches me and others how to become mature.

When we accept our personal responsibilities, it takes the load off of others. Now, there are some who would argue with me saying that it is not their responsibility to take care the widows, orphans, those in need. All I have to say to those individuals is whose responsibility will it be when you are down and out? Social Security? Unemployment? Department of Health and Human Resources? Once again I will refer to scripture by saying that we are all helpers of one another (1 Thessalonians 5:11). When we graduate from High School and attend college,

it is our personal responsibility to purchase our books and supplies, show up for class, take notes, study, and make good grades. No one else can do this for us. Oddly enough, this is a time when most of learn that we are on our own. Instead of a "teacher", we have an "instructor". My wife was once told by a college professor that he was an instructor, not a teacher. He was there to give the assignment and grade it. The students were supposed to have already learned most everything prior to that particular college course, therefore it would be their personal responsibility to be on time for class, take notes, and turn in their
