Orthodox Understanding of the Bible with Physical Science Geoffrey Ernest Stedman,2012-08-27 For centuries the Christian world and the scientific world have supposedly been at odds Those who strictly believe that God created the universe have had difficulty accepting such scientific concepts as the speed of light the immense distances of astronomy and the long ages of radioactivity and earth science This book bridges the gap between scientific and Christian beliefs by asking

the reader What if both sides are parallel revelations by God An Orthodox Understanding of the Bible With Physical Science is a mixture of Biblical exposition and explanation of modern physical science including relativity and quantum theory The book also includes a chapter of scientific parables for children
