Zeller,Renald E. Showers,2008-03-01 The doctrine of eternal Sonship declares that the second person of the triune godhead has eternally existed as the Son There was never a time when he was not the Son of God At the incarnation he became a man he did not become the Son Those who deny this foundational truth teach that Jesus became the Son of God at some point in history Some say that he became the Son at his baptism others at his resurrection Most however say that he became the Son at the incarnation In this timely book the authors present with clarity the scriptural basis for the doctrine of the eternal Sonship of Christ deal thoroughly with

Mouw,2018-11-22 We face a culture that is becoming less intentional and more confused dragging with it a wayward church Drifting in this waywardness many have been taken captive by electronic media and have lost touch with their Bibles However God has graced us with a desire to grow in knowledge and find a ballast in life we only need to accept his life saving gift Countercultural Identities Written by the Gospel will help us wayward children of God to look to the Bible to remind ourselves who God says we are what we ought to expect and how we should behave Asking us to renew our interest in the entire Bible author Jason E B Mouw shares his own personal spiritual journey through the trials and tribulations of life depression addiction and faith in order to help others seek the Bible as a source of comfort and instruction Though life may sometimes seem meaningless futile or even cruel the Bible and Christ s redeeming gospel offers all believers a hope and a purpose By finding our identities in God through his gospel message we can be delivered from the desperation of the world and live peacefully in God s grace
