*Time Management: Reach your Goals without Procrastination, and Optimize your Productivity (Master Focus, and Self-Discipline with Powerful Habits)* Brian Goldman,2022-11-16 Are you always running late Do you always wait until the last minute Do you never seem to get things done well and on time Do you lie awake at night dreading tomorrow s schedule These fun and easy tips transform your wasted energy into productive days and restful nights You ll be proud of what you accomplish every day Life gives you 24 hours a day 8 of which should be spent on sleep However with the pressures of

modern living many people don't manage their time even though they think that they are giving priority to the things that matter. In fact, everything matters, including fun. If you have found that your life is stuck in the rut of all work and no play, then it's time that you read this book which will teach you how to turn your life around so that your priorities are different but you are still able to achieve everything that you truly want. Here is a preview of what you'll learn why you should really care about time management. Any do these things when it comes to set your priorities. Attention you might be scheduling your time in the wrong ways. You can not get rid of all distractions completely but you can possibly minimize them. Much much more. The temptation was to work from the very simple to the complex and esoteric in creating this book but the complex and esoteric drives the simple to complex planning and the esoteric is non-productive without the actual work of developing a plan from the simple to the complex. Therefore the simple and the complex are mingled together connecting action with theory. Not all parts of this book will be suitable for everyone but it will have a little something for everybody. Through this book you will be guided by the simple to apply yet effectively tips, tricks on how to maximize your productivity and change your life for the better.
