National Labor Relations Board,2000 **A Policy and Procedure Manual for Church and Synagogue Libraries** ,1998 A policy and procedure manual for all members new and current of the church or synagogue library staff is valuable because it preserves continuity in library administration gives an easy reference to policies and procedures helps maintain efficiency and effectiveness provides a first step in establishing a new library and provides a guide for library helpers and committee members The purpose of this guide is to suggest information to be included in such a manual Information on the following is provided mission statement goals and objectives organizational chart history personnel staff selection policy financial policies facilities furnishings and equipment selection policies processing materials sources of materials equipment furnishings and supplies circulation policies library public relations and promotions inventory weeding maintenance procedures reports long range planning and professional memberships An index is also provided AEF **Church Laws and Ecumenism** Norman Doe,2020-09-27 Written by experts from within their communities this book compares the legal regimes of Christian churches as systems of religious law The ecumenical movement with its historical theological focus has failed to date to address the role of church law in shaping relations between churches and fostering greater mutual understanding between them In turn theologians and jurists from the different traditions have not hitherto worked together on a fully ecumenical appreciation of the potential value of church laws to help and sometimes to hinder the achievement of greater Christian unity This book seeks to correct this ecumenical church law deficit It takes account of the recent formulation by an ecumenical panel of a Statement of Principles of Christian Law which has been welcomed by Pope Francis and the Ecumenical Patriarch of Constantinople leader of the Orthodox Church worldwide as recognizing the importance of canon law for ecumenical dialogue This book therefore not only provides the fruits of an understanding of church laws within ten Christian traditions but also critically evaluates the Statement against the laws of these individual ecclesial communities The book will be an

essential resource for scholars of law and religion theology and sociology It will also be of interest to those working in religious institutions and policy makers **Spectrum** ,1999
