The Polycom Solution — Everything you need to deploy and manage a complete video conferencing network with Polycom Global Management System™, Polycom FieldNavigator™, Polycom Conference Suite and the Polycom AGC™

The world's most powerful set-top video conferencing system for small to medium groups and special applications.

The Polycom VSX 7000 series of products offer flexibility, reliability and a robust architecture for virtually any meeting room, classroom or small group environment. With a unique integrated sound system, the Polycom VSX 7000 series raises the bar for quality audio with patent-pending Polycom StereoSurround™ audio. During a video conference, voices from far-end participants project in stereo. With dual speakers and dual microphones you'll hear each speaker clearly, easily decipher multiple simultaneous conversations and experience pure, rich sound.

In addition, each VSX 7000 series product offers truly exceptional video with H.264 and television-like quality Pro-Motion, an easy-to-use customizable user interface, standard AES software decryption, touch panel integration capabilities and voice add-on capabilities. To accommodate special applications, any of the VSX 7000 series products can be paired with the Polycom Media Center for a complete can and monitor solution.

The VSX 7000 is the top-of-the-line for set-top video conferencing solutions. With the VSX 7000 you have everything needed to start collaborating — now! This solution includes a high fidelity speaker set to accommodate Polycom StereoSurround, connectivity for a second display, People+Content™ feature for high resolution data sharing and an integrated multipoint feature to easily expand your conference to multiple locations.

Select the VSX 7000 for the optimum collaboration solution. Capabilities include support for high-resolution People+Content, a Web streaming utility for recording and viewing conferences at a later time and closed captioning support for hearing-impaired participants. What's more, the VSX 7000 model is available in an integrated package with the SoundStation IXX 7000, the world's first wideband conference phone. Link them together and use the VSX 7000 to add audio or video participants to a conference and to serve as the microphone for both audio and video calls. If you already have a VSX 7000 and a SoundStation IXX 7000 conference phone, you can combine the two into a single solution with our upgrade kit.

The VSX 7000 is ideal for high-quality video conferencing with everything needed for productive, state-of-the-art communications. This base model provides flexibility and expandability in offering users the option to add additional displays, microphones, a speaker kit, network modules, multipoint features and more. Choose the VSX 7000 solution that's right for you.

The value of Polycom VSX 7000 Series — Access to the power of Polycom unified collaborative communications solutions.

With the greatest breadth and depth of integrated video, voice, and Web solutions, only Polycom delivers the ultimate communications experience. Our market-leading conferencing and collaboration technologies, supported by world-class service, enable people and organizations to maximize their effectiveness and productivity. Add to that the most experience and proven best practices in the industry, and it's clear why Polycom has become the smart choice for organizations seeking a strategic advantage in a real-time world.
