## **Save Me Novel English Edition:**

*Save Me* Beck Grey, 2021-09-02 Against protocol and my best intentions I fell in love with the key witness I was assigned to protect I know Rookie move Jamie I guess I m just a soft touch for beautiful scared men who hide behind prickly sass and razor sharp snark With a little kindness and a lot of patience I got to know the generous caring man underneath all those barbs But it took everything I had to keep things professional In the end none of that mattered because I still had to let him go and it would have been infinitely worse if he knew how I felt Not that things are much better now because a year later with no hope of ever seeing him again I still can t forget Ashley Pandy Testifying against your best friend s father for conducting illegal drug trials is one thing Falling for the handsome deputy marshal assigned to protect you Utter humiliation I was a walking clich all heart eyes and swooning As if a decent honorable man like Jamie MacDougall would have been interested in someone as damaged as me Thankfully before I could mortify myself further by telling him how I feel the trial ended and I entered the WITSEC program with a new identity and a new life far away from the sexy deputy marshal who still holds my heart But justice has some nasty side effects and now twelve months later guilt and loyalty are forcing me back to the last place I should be Seattle And with my past hot on my heels there s only one person I trust to keep me safe *Save Me* is an award winning low medium angst Forced Proximity Second Chance at First Romance Contemporary MM novel with a bit of snark a dash of sweet and a lot of spice It contains no cheating and a guaranteed Happily Ever After

**Ritual Violence and the Maternal in the British Novel, 1740-1820** Raymond F. Hilliard, 2010 This challenging book brings to light a mythic dimension of seventeen important eighteenth and early nineteenth century narratives that revolve around the persecution of one or more important female characters and offers original reading of novels by Richardson Fielding Burney Radcliffe Godwin Austen Scott and others The myth in question which Raymond Hilliard calls the myth of persecution and reparation serves as a major vehicle for the early novel's preoccupation with the mother a mythic figure distinct from the historical mother or from the mother as she is represented in eighteenth and early nineteenth century maternal ideology Hilliard argues that the myth of persecution and reparation derives from the topos of female sacrifice in the romance tradition and shows that this topos is central to several kinds of novels realist Gothic Jacobin feminist and historical Hilliard contends that the narrative of persecution and reparation anticipates the twentieth century maternal myth associated with the work of Melanie Klein and other relational model psychoanalytic theorists and he thus also examines the psychosexual significance of the mother Hilliard explores the relation of psychosexual themes to social representations and delineates a new theory of plot both tragic and comic plots in the early novel
