Warm Springs Susan Richards Shreve, 2017-11-01. An engrossing memoir of finding comfort, company and mischief at the famed Georgia retreat for children with polio. Maureen Corrigan NPR's Fresh Air. Just after her eleventh birthday Susan Richards Shreve was sent to the Polio Foundation in Warm Springs, Georgia. Famously founded by Franklin Delano Roosevelt after he was disabled by the disease himself, the haven would be her home off and on for the next two years. In this piercingly honest memoir Shreve recaptures her early adolescence as well as an era of American life gripped by a fearful epidemic. At Warm Springs Shreve found herself in a community of similarly afflicted children and for the first time she was one of the gang. Away from her protective mother she became a feisty troublemaker and an outspoken ringleader. She navigated first love, rocky friendships, religious questions and family tensions and experienced healing of all kinds. During her stay the Salk vaccine would be discovered, ensuring that Shreve would be among the last Americans to have suffered childhood polio. This sensitive, beautifully written memoir can stand on its own as a glimpse into an era of suffering and as a testimony to the human spirit. The Atlanta Journal-Constitution: Shreve succeeds at the difficult task of recapturing and communicating what it was like to be young. People Part memoir, part confession, part mediation on both polio and the president who made it a national cause. Warm Springs unflinchingly illuminates an iconic
