Intelligent Buildings: An Introduction Derek

Clements-Croome, 2013-10-08 This book introduces the concept of Intelligent Buildings to the wider construction community Edited by the Father of Intelligent Buildings Derek Clements Croome the book explains that intelligent buildings should be sustainable healthy technologically aware meet the needs of occupants and business and should be flexible and adaptable to deal with change This means the processes of planning design construction commissioning and facilities management including post occupancy evaluation are all important Buildings comprise many systems devised by many people and yet the relationship between buildings and people can only work satisfactorily if there is an integrated team with a holistic vision

Serene Urbanism Phillip James Tabb, 2016-09-13 Serenity is becoming alarmingly absent from our daily existence

especially within the urban context Time is dense and space is tumultuous The idea of the serene has gained currency in postmodern discussions and when combined with urbanism conjures questions even contradictions as the two ideas seem

improbable yet their correspondence seems so inherently desirable Integrated these two constructs present design challenges as they manifest in differing ways across the rural urban transect In response Part I of this book establishes the theoretical framework through different contemporary perspectives and concludes with a clear explanation of a theory of serene urbanism The positive characteristics of urbanism and beneficial qualities of the serene are explored and related to sustainability biophilia placemaking and environmental design Both principles and examples are presented as compelling portraits for the proposal of these new urban landscapes Part II of the work is an in depth exploration and analysis of serene urban ideas related to the intentional community being created outside of Atlanta Georgia USA Serenbe is the name given to this place to commemorate the value and nuance between the serene and urban
