Dear Teacher,

We consistently selected our authors from across the United States, spent the summer collecting their experiences with math in their daily lives, and then—using our best instincts—selected the best of their stories, and your students will be inspired by the real-world math that's in them. We're proud to share these stories with you, and we hope they inspire your students to see math in their own lives.

We hope you'll find these stories useful in your classroom, and we hope they'll inspire your students to see math in their own lives. We hope you'll find these stories useful in your classroom, and we hope they'll inspire your students to see math in their own lives.
