Wasson,1998-10-01 Hymns are a vital part of worship in most denominations Congregational song has developed through the
ages to include plainsong melodies psalm settings folk melodies composed hymn tunes gospel songs sacred choruses
spirituals and canons All of these categories are included in this work Wasson s index by focusing itself exclusively upon
hymntunes is the most comprehensive collection of hymns and hymn materials that has been created to date It also provides
new information about the many hymns that have been written during the hymnal explosion of the last twenty five years
Hymntune Index and Related Hymn Materials is an extraordinary resource for organists church musicians and librarians
Cataloging over 33 000 melodies sung by congregations world wide it provides the source of each and lists related materials
Included are incipits of the hymntune in the Tonic Sol fa system alternate titles for the same tune hymnals by code and hymn
numbers where the tune may be found catalog reference numbers to the index key which lists material on the hymn tune
other references such as sheet music and Concertatos on the hymntune Hymn materials include composer or arranger
publisher and publisher s catalog number and the title The index is helpful when looking for tunes by a particular composer
or arranger and also for noting the variations of a particular tune It provides a broad range of hymntune based music and
allows the reader to compare tunes of similar melodic contours An essential work for organists pastors and libraries with
music collections *Popular Aviation and Aeronautics* ,1993 **German books in print** ,1998
