Story Begins Max a young mammoth lived in a beautiful green valley tucked away between tall mountains This beautiful scenery was the setting for Max's amazing life which made him different from the other mammoths in the valley Max was amazing and a sign of being unique He captured the hearts of everyone who knew him His sheer size was amazing and his huge frame was an ode to the beauty of the natural world Max was unique not only because of his size but also because of the wonder in his eyes the thrill seeking spirit in his heart and the dreams that grew inside him Max was always interested in new things so he went exploring in the valley he called home Max would get lost in the thick forests drawn there by the wind's whispers and the secrets hidden in the old trees Other mammoths were happy to graze on the tasty soft grasses He would study the ice streams in the valley by following their winding paths with unwavering dedication Because he was so interested in everything every rock and flower seemed like a prize waiting to be found He had an adventurous spirit that knew no bounds Max would often get together with his friends a group of different animals from the valley and take them on exciting adventures into the unknown They did everything from climbing the highest peaks of the nearby mountains to jumping into pools of clear water that were hidden deep in the trees Max's excitement made his friends want to go on adventures with him because they knew any trip with him would be full of surprises and fun But Max's dreamy heart might have been what made him unique He had dreams that were as big as the mountains that circled the valley and as high as the birds that flew so gracefully through the sky Max dreamed of finding lost treasures figuring out the mysteries of the world and making his mark on the history of time Not only were his dreams just wild thoughts but they were also what kept him going and gave him hope when things got hard in real life
