

AN EXAMPLE OF A POORLY STRUCTURED AND WRITTEN ESSAY

The Fourth Industrial Revolution (4IR) is having a rapid impact on the South African banking industry.

Where are the numbered headings?

Why are you indenting the paragraphs?

Advanced Technology add South Africa equals the 4th Industrial Revolution, how is that an equation? In 2019 the whole went into a tragic pandemic called the COVID 19 which led the whole world into devastation as people were dying and there had to be lockdown putting the economy at risk because people could not work from their buildings but home. The process of doing things online opened a whole new world for us even introducing the paperless system since we couldn't touch things by our hands to avoid contracting the disease. There are many benefits as to using a paperless system and they will be discussed in this essay.

Where is your CTS in which you state what you are arguing for and what the essay is about?

Where is the POD?

Why are you writing in the first person's voice?

Why are you using contractions?

In South Africa we all know we are battling with crime and old people getting robbed every now and then losing their hard-earned money and possessions. Imagine now a world with no paper money and everything done online, that will decrease these crime rates even those criminals will not even be able to sell those possessions because no paper money will be used. Paperless Banking will also save us from losing statements that may be needed to apply for claiming forms, jobs and just about anything that will need a statement.

Where is the concluding sentence?

This paragraph was not well-developed.

Online banking will help with offering customers with control over what is also happening in their accounts, they can properly manage their account, be able to see each and every transaction like making an online payment or money paid into their account or money transfer without their hassle of having to use paper notes or making banking deposits, standing in long lines – all of this can be avoided. This is a very long sentence. The other most important benefit is identity theft, when using the online system every
