The Shift O. K. Johnson, 2012-08 Preface This book has been in the works approximately thirty seven years When I was twenty two I knew I was going to write a book I just didn't know what the topic would be or where it would go That was in the days of manual typewriters Functional home computers with word processing were still about eight years away It wasn't until about two years ago in the spring of 2010 that I felt it was time to write I toyed with a couple of different themes since biblical prophecy was my prime interest However as the writing progressed I felt the Lord directing me to write the story of my journey from religion in the Roman Catholic tradition to a Bible based personal relationship with God as the creator of the universe I grew up attending Catholic schools and my experiences are very similar to thousands of others who have attend parochial school It was a great experience and solid educationally It just wasn't fulfilling spiritually I don't focus on the political and social issues facing the Catholic Church as some folks have I will not Catholic bash If anything I have tried to be evenhanded concerning my experiences growing up Catholic and those of dealing with my Protestant Christian friends There will be some things said in this book that will cause my Catholic friends to cringe There will also be some conclusions with which my Protestant friends will disagree The story is my personal journey and one I am happy to share It is the story of my journey from religion to relationship and my personal view from the pew

The Timberman , 1909 **The Great Shift** James L. Kugel, 2017-09-12 The renowned author of *How to Read the Bible* reveals how a pivotal transformation in spiritual experience during the biblical era made us who we are today A great mystery lies at the heart of the Bible Early on people seem to live in a world entirely foreign to our own God appears to Abraham and Sarah Jacob and others God buttonholes Moses and Isaiah and Jeremiah and tells them what to say Then comes the Great Shift and Israelites stop seeing God or hearing the divine voice Instead later Israelites are in search of God reaching out to a distant omniscient deity in prayers as people have done ever since What brought about this change The answers come from ancient texts archaeology and anthropology and even modern neuroscience They concern the origins of the modern sense of self and the birth of a worldview that has been ours ever since James Kugel whose strong religious faith shines through his scientific reckoning with the Bible and the ancient world has written a masterwork that will be of interest to believers and nonbelievers alike a profound meditation on encountering God then and now Fascinating The New York Times Book Review Biblical exegesis at its best a brilliant and sensitive reading of ancient texts all with an eye to making them meaningful to our time by making sense of what they meant in their own Kirkus Reviews starred review A magnificent job of bringing important ideas from the academy to a broad readership Kugel gives readers a sense of history's convoluted texture its ironies and thus its beauty The
