After her runaway year in Cornwall, another year has passed, an idyllic year spent with sexy new love Joseph Scott in the sultry heat of Florence. For best friend Penny, life has also changed. Having recently given birth to a baby girl, she's busy embracing motherhood. But for The Runaways, life is never that easy. A chance encounter with Joseph's ex-girlfriend Tara has explosive consequences for the new lovers, and all three are forced back to Cornish shores. There's a

secret between Joseph and Tara and Layla can't help but fear that they're rekindling their past. Meanwhile, motherhood is not the joy Penny thought it would be; she's heading for a breakdown and fast. *The Record of My Heart* Georgina Guthrie, 2015-03-24 Daniel Grant desperately wants Aubrey Price, a woman he can't have at least not for two long months. He could give up and walk away, but he won't. Following in his grandfather's footsteps, he waits. And while he waits, he writes. Through a series of journals and letters, *The Record of my Heart* traces Daniel's romantic contemplations, what he calls the secret musings of a man tumbling headfirst in love. *Claiming Excalibur* L.H. Nicole, 2014-12-16 Aliana Fagan has done what many thought impossible: she's awakened King Arthur from his fifteen hundred year sleep, reunited the Knights of the Round Table, and even beaten Mordrid and Morgana LeFay in battle. But the Destined One's quest has only begun. Before the knights can unearth and reclaim their lost relics, they must survive the trip to Charleston, South Carolina, and meet the newest member of the Round Table. If King Arthur's men thought Aliana and Lacy were tenacious, they'll be even more surprised by Dawn, the third member of the fem trio. Deadly secrets, unexpected allies, and a traitor lurking in the shadows await Aliana and the new Round Table as they continue their search for Excalibur. Their only clue is a beyond confusing poem from a mysterious book that speaks of a terrifying creature guarding the legendary sword. Trying to build a somewhat normal relationship with Sir Galahad adds a whole new level of complexity to Aliana's task, especially when several among them suspect the White Knight may not be wholly himself. Her friendship with King Arthur grows closer, and when circumstances become intense, he may finally get the chance with Aliana that he's been pining for. Mysteries, legendary quests, and haunting memories will either unite the members of the New Round Table or fracture their bonds. Aliana and her crew only have seven months before the planets align and Mordrid can seize the power he needs to conquer the seven realms. Can the Destined One keep her new family together and lead Arthur to his destiny of saving the realms? Or will a centuries-old plot for revenge finally spell the king's end. *The Playboy's Princess* Joy Fulcher, 2014-11-25 What do a Hollywood playboy and a Disney princess have in common? Not a lot, but they can fake it. Jade Pratt is living a tough life, surviving paycheck to paycheck by working at Disneyland. She'd like nothing more than to be swept off her feet by her own Prince Charming. Drew Malik is living what appears to be a charmed life. He's the son of a famous actor and has money, women, anything he could want. But he's burning out in a life filled with booze and one-night stands. When he finds out his trust fund is blocked until he either turns thirty or gets married, his friends plot to rescue him by placing an ad in the paper to find him a bride fast. When Jade answers the ad, the pair meet up and agree to an arrangement that will solve both their problems. But when their fake marriage elicits real feelings and real problems, they're both forced to re-evaluate their deal. Happily ever after was never the intention, but what if it's their destiny. *Forever Autumn* Christopher Scott Wagoner, 2015-01-13 Life's going well for Steven Borgia.
