to prove their company's value and build their customer base. The authors estimate that the average small business owner spends about \$100,000 on advertising each year, but that the average owner only receives a return on investment of about 10 percent. The authors suggest that small business owners should focus on building a strong online presence, as this is a more cost-effective way to reach customers. They also suggest that owners should focus on building a strong reputation, as this can help them attract new customers and retain existing ones.
