

TYPE DESIGNATIONS

The engine type designation states, in the form of a code, the engine type, size, application area, etc.

Type designation and engine number appear on a plate on the right side of the engine. Furthermore, the engine number is stamped in the surface of the cylinder block besides the type plate.

Engines that are certified for smoke and emission levels are equipped with a plate that specifies the documents according to which they are certified. The plate is located on the front valve cover behind the oil filling.
